The Senate was called to order at 12:00 noon by Lieutenant Governor Mike Kehoe.

Gracious God, we are thankful as we gather for this new session and share together the responsibilities that we are required to fulfill. On this 12th day of the Christmas season, in the Christian church, we are mindful of this time of joy and peace among us. May we begin 2022 with a blank slate and we would ask for Your presence among us and that Your Spirit may guide us through this session, helping us persevere in all the difficult yet needed decisions that we are called to make. May we be mindful of Your prophet Micah's words each day of this new year "…to do justice and to love kindness and to walk humbly with You, our God." In Your Holy Name we pray. Amen.

Second Regular Session, 101st General Assembly

January 5, 2022

Friends, colleagues, and guests: good afternoon. It is with great appreciation and humility that I welcome each of you back to this hallowed chamber to begin the Second Regular Session of the 101st General Assembly.

Before we continue, I would like to take a moment to recognize the President of the Missouri Senate: Lt. Governor Mike Kehoe, the former Senators who have joined us today, and the close friends and family who have traveled to support us and celebrate this special occasion.

Why are we here? We each have unique backgrounds and find ourselves at different stations in life. We disagree and we debate. We see the world through our own particular prisms. And yet, at some point, on some level, each one of us saw an unmet need in our community and asked: how can I serve? What solutions can I bring to the table? And with the support of our families and the trust of our communities, each of us answered that call to serve.

So despite our differences we find ourselves here, together, working to deliver solutions that make life better for millions of Missourians.

The challenges of the past two years have been great and have only seemed to intensify; but I am hopeful. I am hopeful because the Senators here today have demonstrated before that they can put aside personal differences in order to overcome the obstacles before us. I am hopeful because we have come together to deliver much-needed tax relief for working families. We have leveled the playing field for Missouri's small businesses. We have given parents greater choice in their children's educations. We have invested billions in our critical infrastructure. And, most importantly, we have stood firm against government abuse and overreach at every level.

This year, as we face an unprecedented set of new challenges, let's remember these accomplishments.

When it's late, when frustrations are high, and tempers wear thin—let's remember what we have accomplished together. The stakes are too high to give up. Missourians are counting on us to work together to deliver real solutions that make their lives better. We have delivered before and I am confident we will deliver again.

It is an honor and a privilege to serve alongside each of you. I pray that God would bless our solemn work and this great state we are all proud to call home.

Thank you.

SECOND REGULAR SESSION

SECOND DAY—THURSDAY, JANUARY 6, 2022

The Senate met pursuant to adjournment.

President Pro Tem Schatz in the Chair.

The Reverend Carl Gauck offered the following prayer:

Gracious God, King of the Universe, today we remember the Christian celebration of the Epiphany and the various ways You made Yourself known to people of every expression of faith on this tiny planet. You manifested Your presence so all may know You and in so doing taught us Your will for us to follow and the requirement to seek ways to promote love and justice among all people. And we pray that You will be with us as we return home to our loved ones and pray You will continue to watch over and provide healing to all who are ill among us. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

Senator Hough assumed the Chair.

CONCURRENT RESOLUTIONS

Senator White offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 21

Relating to an application to Congress for the calling of an Article V Convention of states to propose an amendment to the United States Constitution to authorize the several states to repeal certain federal actions.

Whereas, Article I of the United States Constitution begins "All legislative powers herein granted shall be vested in a Congress"; and

Whereas, the Congress has exceeded the legislative powers granted in the Constitution thereby encroaching on the powers that are "reserved to the states respectively, or to the people" as the Tenth Amendment affirms and the rights "retained by the people" to which the Ninth Amendment refers; and

Whereas, in addition to the encroachment by Congress on powers reserved to the states, the federal courts have exceeded powers granted to the federal judiciary under Article III of the U.S. Constitution by rulings that encroach upon powers reserved to the states; and

Whereas, the United States Constitution should be amended to enable the several states to correct violations of the limited powers by the United States and thereby restore the proper balance between the powers of Congress and the federal courts and those of the several states, and better prevent the denial or disparagement of the rights retained by the people:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution,

for the calling of a convention of the states limited to proposing an amendment to the United States Constitution to give states the authority to repeal a Federal rule, regulation, or statute, or a Federal court ruling relating to certain federal actions, when ratified by the legislatures of two-thirds of the several states; and

Be It Further Resolved that the following article be proposed as an amendment to the Constitution of the United States:

"Section 1. The several states may repeal, in whole or in part, any:

1) Presidential Executive order, rule, regulation, other regulatory action, administrative ruling issued by a department, agency, or instrumentality of the United States;

2) Statute that has duly passed both houses of Congress; or

3) Federal Court ruling relating to the provisions of subsection 1 or 2 of this section.

Such repeal shall be effective when the legislatures of two-thirds of the several States approve resolutions for this purpose that particularly describe the same provision or provisions of the Executive order, rule, regulation, other regulatory action, administrative ruling or statute, or ruling to be repealed.

Section 2. Congress shall have power to enforce this article by appropriate legislation."; and

Be It Further Resolved that the General Assembly adopts this application with the following understandings (as the term "understandings" is used within the context of "reservations, understandings, and declarations"):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to "call" for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to "call" a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and

Be It Further Resolved that this application shall expire five (5) years after the passage of this resolution; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

Senator Beck offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 22

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements;

and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 23

Whereas, in the American system, sovereignty is defined as "final authority", and the people, not government, are the sovereign; and

Whereas, the people of the great State of Missouri are not united with the people of the other forty-nine states that comprise the United States of America on a principle of unlimited submission to their federal government; and

Whereas, the Constitution of the United States clearly establishes that all power not delegated by the people to government is retained by the people and the States; and

Whereas, the people of the several States comprising the United States of America created the federal government to be their agent for those purposes specifically enumerated in the Constitution; and

Whereas, the Tenth Amendment to the Constitution of the United States explicitly declares: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

Whereas, the Tenth Amendment thus affirms that the total scope of federal power is only that which is specifically delegated by the people to the federal government in the Constitution of the United States and can go no further than what is necessary and proper to carry into execution those specifically enumerated powers; every non-enumerated power is deliberately left to State governments or the people themselves; and

Whereas, powers, too numerous to list in this resolution, have been exercised, past and present, by federal administrations, under the leadership of both Democrats and Republicans, to transgress the lines drawn by the Constitution of the United States; and

Whereas, when powers that have not been delegated to the federal government are assumed and exercised over the States and their people, as the Declaration of Independence affirms, "it is their right, it is their duty, to throw off such government" usurpation and infringement into those areas, lest the people of this State be placed under the dominion and control of those who wrongly have usurped those rights; and

Whereas, numerous opinions delivered by the Supreme Court of the United States have been wrongly deemed the supreme law of the land when no actual law was passed by the only authority that is constitutionally authorized to make law: the United States Congress; and

Whereas, the President of the United States has issued Executive Orders reaching outside the constitutionally-specified limits of the jurisdiction of the Executive Branch of government and these orders have also been wrongly interpreted and enforced as the supreme law of the land:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby affirm the sovereignty of the people of the State of Missouri in those areas protected by the Tenth Amendment to the Constitution of the United States; and

Be It Further Resolved that this Resolution shall serve as a notice to the federal government to cease and desist activities outside the scope of its constitutionally-delegated powers; and

Be It Further Resolved that there is hereby created the "Joint Committee on the Review of Federal Overreach", which shall have as its charge to identify specific federal laws and regulations outside the scope of the powers delegated by the people to the federal government in the Constitution of the United States and that thus infringe on the proper powers of the State; and

Be It Further Resolved that the Joint Committee shall be composed of five members of the Senate, with no more than three members of one party, and five members of the House of Representatives, with no more than three members of one party. The Senate members of the Joint Committee shall be appointed by the President Pro Tempore of the Senate and the House members by the Speaker of the House of Representatives. The Joint Committee shall select either a chairperson or co-chairpersons, one of whom shall be a member of the Senate and one a member of the House of Representatives. A majority of the members shall constitute a quorum. Meetings of the Joint Committee may be called at such time and place as the chairperson or co-chairpersons designate; and

Be It Further Resolved that the Joint Committee may hold hearings as it deems advisable and may obtain any input or information necessary to fulfill its obligations. The Joint Committee may make reasonable requests for staff assistance from the research and appropriations staffs of the House and Senate, but is not authorized to hire additional staff; and

Be It Further Resolved that the Joint Committee may prepare a final report, together with its recommendations for any legislative action deemed necessary, for submission to the General Assembly by December 31, 2022, at which time the Joint Committee shall be dissolved; and

Be It Further Resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be It Further Resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officer of each of the legislative houses in the several states.

Senator Roberts offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 24

Relating to Victims of Communism Memorial Day.

Whereas, the year 2017 marked 100 years since the Bolshevik Revolution in Russia, resulting in the world's first communist regime, under Vladimir Lenin, and leading to decades of oppression and violence under communist regimes throughout the world; and

Whereas, based on the philosophy of Karl Marx, communism has proven incompatible with the ideals of liberty, prosperity, and dignity of human life and has given rise to such infamous totalitarian dictators as Joseph Stalin, Mao Zedong, Ho Chi Minh, Pol Pot, Nicolae Ceausescu, the Castro brothers, and the Kim Dynasty; and

Whereas, President Donald Trump declared November 7, 2017, a National Day for the Victims of Communism, condemning communism as a political philosophy "incompatible with liberty, prosperity, and the dignity of human life"; and

Whereas, the bipartisan U.S. Congressional Caucus for the Victims of Communism stated publicly in 2018 that "Marx's defenders often say he cannot be held accountable for what communist regimes did long after his life and death; but Marxist dictators who massacred their own people were applying communist ideology to political practice"; and

Whereas, communist regimes worldwide have killed more than 100 million people and subjected countless others to the worst and widest-spread human rights abuses known to history, with victims representing many different ethnicities, creeds, and backgrounds; and

Whereas, through false promises of equality and liberation, communist regimes have, as a matter of government policy, robbed their own citizens of the rights of freedom of religion, freedom of speech, and freedom of association through coercion, brutality, and fear; and

Whereas, many victims of communism were persecuted as political prisoners for speaking out against these regimes, and others were killed in genocidal state-sponsored purges; and

Whereas, in addition to violating basic human rights, communist regimes have suppressed freedom of conscience, cultural life, and self-determination movements in more than 40 nations:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One hundred first General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate November 7 of each year as Victims of Communism Memorial Day; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for Victims of Communism Memorial Foundation; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Twenty-Third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred First General Assembly, Second Regular Session, that Senate Rule 50 be amended to read as follows:

"Rule 50. Referrals of bills and appointments to committee shall be made by the president pro tem**[**; and**], except that each senator may, by a letter submitted to the secretary of the senate, demand that no more than two of the senator's bills per regular session be referred to a standing committee of the senator's choice and such bills shall be referred by the president pro tem to such requested standing committee.** No bill shall be considered for final passage unless it has been reported on by a committee and printed for the use of the senators. A report of all bills recommended "do pass" by a committee shall be submitted to the senate by the chairman and all committee amendments accompanying the report shall be printed in the Journal.

After a bill has been referred to a committee, one-third of the senators elected has the power to relieve a committee of further consideration of a bill and place it on the calendar for consideration. In any case where a committee has been relieved of further consideration of a bill as herein provided, a majority of the senators present but not less than one-third of the senators elected, may, at any time before final passage thereof, again refer the bill to the same or some other committee for consideration. No bill or resolution shall be reported adversely by any committee until the author of the bill or resolution has been given an opportunity to appear and be heard before the committee to which it is referred.

One-third of the senators elected may relieve a committee of an appointment and a motion to grant advice and consent of the Senate to that appointment is then in order upon a vote of the majority of the Senate.".

CONCURRENT RESOLUTIONS

Senator Burlison offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 25

Relating to an application to Congress for the calling of an Article V convention of states to propose an amendment to the United States Constitution regarding term limits for members of Congress.

Whereas, Article V of the Constitution of the United States requires a convention to be called by the Congress of the United States for the purpose of proposing an amendment to the Constitution upon application of two-thirds of the Legislatures of the several states; and

Whereas, the Legislature of the State of Missouri favors a proposal and ratification of an amendment to the U.S. Constitution, which shall set a limit on the number of terms that a person may be elected as a member of the United States House of Representatives and as a member of the United States Senate; and

Whereas, the Ninety-ninth General Assembly of Missouri, Second Regular Session, adopted Senate Concurrent Resolution 40, which contained an application for an Article V Convention to propose an amendment identical to that proposed in this resolution, but provided that the application would expire five years after the passage of Senate Concurrent Resolution 40:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby make an application to Congress, as provided by Article V of the Constitution of the United States of America, to call a convention limited to proposing an amendment to the Constitution of the United States of America to set a limit on the number of terms that a person may be elected as a member of the United States House of Representatives and to set a limit on the number of terms that a person may be elected as a member of the United States Senate; and

Be It Further Resolved that this application shall be considered as covering the same subject matter as the applications from other states to Congress to call a convention to set a limit on the number of terms that a person may be elected to the House of Representatives of the Congress of the United States and the Senate of the United States; and this application shall be aggregated with same for the purpose of attaining the two-thirds of states necessary to require Congress to call a limited convention on this subject, but shall not be aggregated with any other applications on any other subject; and

Be It Further Resolved that this application hereby repeals, rescinds, cancels, renders null and void, and supercedes the application to the Congress of the United States for a convention under Article V of the Constitution of the United States by this state in Senate Concurrent Resolution No. 40 as adopted by the Ninety-ninth General Assembly, Second Regular Session; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the Senate of the United States and to the Speaker, Clerk, and Judiciary Committee Chairman of the House of Representatives of the Congress of the United States, and copies to each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states, requesting their cooperation.

Read 1st time.

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Twenty-Third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred First General Assembly, Second Regular Session, that Senate Rule 50 be amended to read as follows:

"Rule 50. Referrals of bills and appointments to committee shall be made by the president pro tem; and no bill shall be considered for final passage unless it has been reported on by a committee and printed for the use of the senators. **The chair of each committee shall be authorized to report, and the president pro tem shall receive, at least one bill when the senate is on the order of business of reports of standing committees.** A report of all bills recommended "do pass" by a committee shall be submitted to the senate by the chairman and all committee amendments accompanying the report shall be printed in the Journal.

Senator Wieland offered Senate Resolution No. 454, regarding the Fiftieth Wedding Anniversary of Shelia and Michael Kirn, Barnhart, which was adopted.

CONCURRENT RESOLUTIONS

Senator May offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 26

Whereas, the United States economy is today plagued by a growing gap between the rich and the non-rich; by a global recession and credit crisis; by debilitating waste and under-employment of human talent; by inadequate growth alongside shackled technological potential; by record-level trade and governmental budget deficits; and by an estimated "hidden debt" of fifty-six trillion dollars, or four hundred eighty-three thousand dollars per household, in future Social Security and Medicare entitlements, added to historically high federal debt being imposed on young Americans and generations not yet born; and

Whereas, the sustainable growth and energy self-sufficiency of the American economy in the twenty-first century will require trillions of dollars each year of new and improved, life-enhancing technology, rentable space and physical infrastructure; and

Whereas, the Joint Economic Committee of Congress, as early as 1977, has declared broad-based ownership of new capital as an effective

strategy for raising national productivity; and

Whereas, the national goals of equal economic opportunity and widespread capital ownership have been blocked by artificial barriers erected in monetary, tax, and inheritance policies; and

Whereas, this policy objective has been frustrated by the systemic concentration of economic power and exclusionary access to future capital credit to the advantage of the wealthiest Americans; and

Whereas, the Federal Reserve System has stifled the growth of America's productive capacity through its monetary policy, by monetizing public-sector growth and mounting federal deficits and bailouts of mortgage loan sharks and their Wall Street syndicators; by favoring speculation over investment; by shortchanging the capital credit needs of entrepreneurs, inventors, farmers and workers; by increasing the dependency of families by burdening them with usurious consumer credit; and by perpetuating unjust capital credit and ownership barriers between rich Americans and those without savings; and

Whereas, there is a fundamental difference between asset-backed credit for productive uses and debt-backed credit for non-productive uses, consumption, or speculation; the first being critical for stimulating private sector investment, savings, and the supply of new marketable wealth, and the second being used to give people more inflated dollars to chase the same supply of existing wealth; and

Whereas, the Federal Reserve Board is now empowered under section 13, paragraph 2 of the Federal Reserve Act to reform monetary policy to discourage non-productive and speculative uses of credit, to encourage accelerated rates of private sector growth, and to promote widespread individual access to productive credit as a fundamental right of citizenship:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby call on the U.S. Congress to enact the proposed Economic Democracy Act as a national "just free market" policy to foster life-long capital ownership self-sufficiency as a fundamental right of citizenship and as a means to achieve true economic independence for all citizens; and

Be It Further Resolved that the Act would amend the Federal Reserve Act (1) to require the Federal Reserve Board to stop monetizing government debt through its buying and selling of U.S. Treasury securities, (2) to begin re-activating its discount mechanism through its twelve regional Federal Reserve Banks to encourage sustainable, non-inflationary private sector growth linked to lifetime equal capital ownership opportunities for every American, and (3) for each regional Federal Reserve bank to provide an equal ownership share to the permanent residents they serve; and

Be It Further Resolved that the Act would simplify today's complex and inequitable tax system by substituting a single-rate tax on non-exempt personal incomes from all sources above a living income exemption, while:

1. Paying from general revenues all entitlements, welfare supports, and other government spending at present levels, while fulfilling all current Social Security and Medicare obligations;

2. Eliminating the payroll tax on workers and employers;

3. Taxing the individual recipient of all gifts and inheritances above a determined level to encourage extremely wealthy citizens to spread out their wealth or estates among many citizens;

4. Making dividend payouts deductible to corporations, to promote one hundred percent distributions to shareholders and accelerate citizen capital loan repayments; and

5. Balancing the budget and paying off federal government debt as quickly as possible; and

Be It Further Resolved that the General Assembly petitions the Federal Reserve Board to adopt a two-tiered money-creation and credit policy that sharply distinguishes between ownership-expanding productive credit, and ownership-concentrating, nonproductive and speculative uses of credit. The upper tier, reflecting the higher market costs of borrowing "old money" from existing domestic and foreign savings pools and existing assets, should continue to be maintained as a source of market-rate credit to public-sector borrowers, consumers, speculators, and for all other nonproductive purposes. The Federal Reserve discount rate for the lower tier should be reduced to no higher than one-half percent as a one-time "service fee" for creating interest-free capital credit and money backed by broadly owned capital assets. This new reservoir of Federal Reserve monetized capital credit should be reserved exclusively for capital credit borrowers through Federal Reserve regulated commercial and cooperative banks. Citizens' tax-sheltered "Capital Ownership Accounts", similar to Individual Retirement Accounts, or "IRAs", would receive insured capital credit at reasonable bank service charges covering capital credit insurance premiums. Such expanded bank credit should not be subsidized by the taxpayers, and should be backed and collateralized by the newly acquired assets and private sector credit insurance to cover the risk of default. Such ownership-broadening capital credit borrowed through local commercial and cooperative banks could be invested in "qualified" securities such as newly issued, full-dividend payout, full voting shares in a company for which a member of the citizen's household works; companies in which the citizen's household has a monthly billing account; Employee Stock Ownership Plans; and Homeowners Equity Corporations for turning renters into owners; production and marketing cooperatives and partnerships; family-owned and -operated businesses and farms; and mature companies with a history of solid earnings. In order to finance new infrastructure and land development, Citizens Land Development Cooperatives could receive fed-monetized capital credit through local commercial and cooperative banks on behalf of every permanent resident in their jurisdictions. Every child, woman, and man in the area

covered by a CLDC would receive a free, full dividend-payout, full voting, non-transferable share, entitling them to an equal share of leasing profits and voting control in the CLDC; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, each member of the Missouri Congressional delegation, and the Board of Governors of the Federal Reserve System.

Senator May offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 27

Whereas, one in five teens has had a serious mental health disorder at some point in their life; and

Whereas, mental health problems may lead to poor school performance, school dropout, strained family relationships, involvement in the child welfare or juvenile justice systems, substance abuse, and engaging in risky sexual behaviors; and

Whereas, suicide is the second-leading cause of death among adolescents ages fifteen to nineteen; and

Whereas, depression, anxiety and behavioral disorders are among the leading causes of illness and disability among adolescents; and

Whereas, the consequences of failing to address adolescent mental health conditions extend to adulthood, impairing both physical and mental health and limiting opportunities to lead fulfilling lives as adults; and

Whereas, there is a lack of referral services and specialists trained in dealing with adolescents' specialized mental health needs:

Now Therefore Be It Resolved that the members of the Missouri Senate, One hundred first General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby recognize a need for mental health awareness training requirement for pupils in public schools and charter schools, so that Missouri adolescents can become more familiar with, and work towards the prevention of, mental health disorders; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to send a properly inscribed copy of this resolution to the Department of Elementary and Secondary Education.

Senator White offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 28

Whereas, World War II, the most widespread war in history, lasted from 1939 until 1945; and

Whereas, the United States entered the war in 1941, following an attack on Pearl Harbor by Japanese fighter planes; and

Whereas, over sixteen million Americans served their country and the Allied powers over the course of the war; and

Whereas, the generation of men and women who served our country in World War II has been called the "greatest generation" for their selfless sacrifice; and

Whereas, the Medal of Honor is the highest military decoration that is awarded by the United States government; and

Whereas, the Medal of Honor is presented by the President of the United States, in the name of Congress; and

Whereas, the Medal of Honor is only conferred upon members of the United States Armed Forces who distinguish themselves through conspicuous gallantry and intrepidity at the risk of life above and beyond the call of duty while engaged in action against an enemy of the United States, while engaged in military operations involving conflict with an opposing foreign force, or while serving with friendly forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party; and

Whereas, more than 3,400 Medals of Honor have been awarded to our nation's bravest soldiers, sailors, airmen, marines, and coast guardsmen since the creation of the award in 1861; and

Whereas, the Medal of Honor was awarded to 353 Americans during World War II; and

Whereas, only one of those 353 Americans is alive today; and

Whereas, Hershel Woodrow Williams of West Virginia served his country with conspicuous gallantry and intrepidity at the risk of life and therefore deserves the gratitude of the American people; and

Whereas, the President of the United States has the sole authority to designate a state funeral; and

Whereas, historically, the President of the United States has designated state funerals for former presidents, generals, and other extraordinary Americans; and

Whereas, our nation is currently divided and yearns for a unifying national event; and

Whereas, designating a state funeral when the last surviving World War II Medal of Honor recipient dies would be a wonderful way for the American people to unite and honor all sixteen million soldiers, sailors, and airmen who served in our Armed Forces from 1941 to 1945:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the President of the United States to designate a state funeral for the last surviving Medal of Honor recipient from World War II; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the Vice President of the United States, the Speaker of the United States House of Representatives, the President Pro Tempore of the United States Senate, and all members of the Missouri congressional delegation.

SENATE CONCURRENT RESOLUTION NO. 29

Relating to Certified Registered Nurse Anesthetists Week.

Whereas, certified registered nurse anesthetists (CRNAs) are advanced practice registered nurses. CRNAs are among the nation's most trusted professionals and have provided anesthesia care to patients in the U.S. for more than 150 years; and

Whereas, legislation passed by Congress in 1986 made nurse anesthetists the first nursing specialty to be accorded direct reimbursement rights by Medicare; and

Whereas, CRNAs are primary anesthesia providers in rural communities and continue to be the primary providers of anesthesia care to U.S. military personnel; and

Whereas, CRNAs practice in every setting in which anesthesia is delivered; from traditional hospital surgical suites and obstetrical delivery rooms to critical access hospitals; from ambulatory surgical centers to the offices of dentists, podiatrists, ophthalmologists, pain management specialists, and more; and

Whereas, CRNAs are qualified to make independent judgments regarding all aspects of anesthesia care based on their education, training, and licensure; and

Whereas, CRNAs are trusted anesthesia experts on the front lines, caring for patients safely and compassionately, delivering specialized, cost-effective care to all patients, from newborns to seniors, and for every type of procedure in all types of facilities; and

Whereas, CRNAs are courageously serving on the front lines of the ongoing coronavirus pandemic, using their advanced skills in airway management, intubation, and ventilator management to care for the sickest patients, and leaving their homes and families to travel to hospitals and facilities across the country, so they can assist where the need is greatest:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate the last full week of each January as Certified Registered Nurse Anesthetists Week in Missouri; and

Journal of the Senate

SECOND REGULAR SESSION

SEVENTH DAY—TUESDAY, JANUARY 18, 2022

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Just as water reflects the face, so one human heart reflects another." (Proverbs 27:19)

Father, we remember Martin Luther King and how his face, life and words reflected what the human heart is to be. Help us live graciously so that our hearts reflect the love we share with another and with You, our God. May our words and actions be a witness to others, as was Dr. King's and help us change the world about us even if it's only one other person. And Lord help us always be thankful for Your words that teach us to be all we were meant to be and we pray let our lives allow others to see You when they see us, in Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal for Thursday, January 13, 2022, was read and approved.

Relating to an application to Congress for the calling of an Article V convention of states to propose an amendment to the United States Constitution regarding term limits for members of Congress.

Journal of the Senate

SECOND REGULAR SESSION

EIGHTH DAY—WEDNESDAY, JANUARY 19, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"A word fitly spoken is like gold." (Proverbs 25:11)

Wondrous God, help us this day to talk with You, our God. Help us learn the power and majesty of words that are spoken and how we hear them. Let our conversations flow from our heart so that what we say is always a truth that reflects who we are and what we are intended to be. So, guide us this day, O Lord, on the path that we are meant to take and our words reflect what we discover about You. In Your Holy name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

2022 STATE OF THE STATE ADDRESS – Strong Today, Stronger Tomorrow
GOVERNOR MIKE PARSON

January 19, 2022

3:00 PM (CST)

Thank you Lieutenant Governor, Mr. Speaker, statewide officials, Judges of the Missouri Supreme Court, and state legislators. It is an honor again to stand before you today as the 57th Governor of the Great State of Missouri.

Once again, we are at an exciting time for Missouri and our future. This past year we celebrated the bicentennial of our state and 150 years of the Missouri Governor's Mansion.

And I am honored to have served as Missouri's Governor during this remarkable milestone for our state.

The First Lady and I were fortunate to be able to tour Missouri and visit communities all across the state and witness their individual contributions to our rich history.

From the Ulysses S. Grant National Historic Site in St. Louis to the Hubble Space Telescope in Marshfield…from Walt Disney in Marceline to Jesse James' birthplace in Kearney…from John J. Pershing in Laclede to Mark Twain in Hannibal…

AND how could we ever forget Maxie the Goose in small town Sumner, Missouri…

After more than 45 Bicentennial stops, the First Lady and I count ourselves blessed to have experienced the history, tradition, and heart and soul of what makes Missouri great.

Faith, family, neighbors helping neighbors… that's who Missourians are.

AND that's what makes Missouri the best state in the United States.

We were also able to host the Bicentennial Parade and Inaugural Ball that was enjoyed and celebrated by Missourians from all over our state.

Our historic parade included over 100 entries that proudly showcased communities all across Missouri…

Including the Lincoln University Marching Musical Storm, the Budweiser Clydesdales, Chinese Dragon Dancers, and the Negro League Baseball Museum.

It marked the first time in our state's history that an Inaugural Ball was held outside.

And we counted ourselves fortunate to be able to celebrate with thousands of Missourians, many of which had never experienced an Inaugural Ball.

BUT none of this would have been possible without the efforts state government undertook to lessen the impacts of COVID-19.

When I stood before you last year, our limited supply of COVID-19 vaccines were available for only a small group of Missourians.

No one had a roadmap or a playbook, and we knew we faced difficult times ahead.

Nevertheless, state government accepted the challenges and prevailed by focusing on fairness in our vaccine distribution efforts.

While there will always be endless critics to tell us how we could have done it better, the facts are we were the ones in the arena.

We made the tough decisions and NEVER cowered to the challenge.

Today, one of our greatest successes is in the fact that more than 94 percent of Missourians 65 and older, our most vulnerable population, have received protection from this virus.

AND nearly 75 percent of Missourians 18 and older have received a vaccine.

Now, while we have room to improve and encourage all Missourians to consider vaccination…

We have worked tirelessly to ensure that vaccines are available to every Missourian that wants one.

And we couldn't have done it without the dedicated public servants at the Department of Health and Senior Services; State Emergency Management Agency; the Missouri National Guard; Department of Public Safety; doctors, nurses, and health care professionals; and the thousands of local partners, for their bold and heroic actions throughout the pandemic.

Joining us today, are individuals we would like to give a special thanks to…

Michael McMillan and James Clark with the Urban League in St. Louis and Pastor Miles and Janet Miles-Bartee with Morning Star Baptist Church in Kansas City, were instrumental in helping vaccinate some of our most vulnerable populations.

With these trusted leaders aiding our efforts, we were able to get hundreds of thousands in Kansas City and St. Louis vaccinated.

Additionally, seated in the upper chamber is Colonel Russell Kohl with the Missouri National Guard, who helped lead our state vaccine operations.

Colonel Kohl and our Missouri National Guard members worked around the clock to get vaccines to Missourians as quickly as possible.

Our Missouri National Guard members answered the call… and completed the mission.

Would Michael, James, Pastor Miles, Janet, and Colonel Kohl please stand to be recognized?

Missouri is a diverse state and a one-size fits all approach will never work here.

In this state, we used common sense and took a balanced approach to the pandemic…

AND while that may not seem like a novel idea…When you look to some of the policies and mandates in other states and places… you find that common sense may not be so common.

That's why we never had state mandates or forced businesses, schools, or churches to close.

We protected lives and livelihoods.

AND when it comes to COVID-19 mandates, I firmly believe that the people should have say through their local elected representatives and not be dictated by needless executive action or any one person.

That's why I don't support and have never supported mandates and Missourians can rest assured that my position WILL NOT CHANGE.

Today, our economy has nearly fully recovered, and we have the opportunity to make fundamental improvements to our state that will serve Missourians now and into the future.

Missouri is STRONG today and will be EVEN STRONGER tomorrow.

Missouri has a solid foundation and that is something we should all be proud of… Republicans, Democrats, and Independents … rural, suburban, and urban…

It is a foundation that has helped propel our state to new heights in just a few short years and has set us on a course to achieve even greater accomplishments.

Unfortunately, it seems success can get purposely overshadowed because positive news doesn't sell headlines. But rest assured, we refuse to discount the good things happening in Missouri.

Whether you live in the bootheel, the Ozarks, St. Louis, Kansas City, or anywhere across the state, our relentless focus on workforce development and infrastructure is paying dividends for ALL Missourians.

Our unemployment rate sits at 3.5 percent, that's below where we were BEFORE the pandemic and below the national average.

And when we had an all time high of 385,000 individuals on unemployment, we knew we had to take action and solve this problem.

Missouri was one of the first in the nation to cutoff federal unemployment benefits…and today, only 21,000 are drawing benefits.

This was the right call and the right thing to do.

We are finding economic success, but with 116,000 job openings across the state, now more than ever, it is important to double down on workforce development and skill up our workers to fill these open jobs.

We can't be satisfied with the same as before. We must focus on making our state even stronger.

Even during the pandemic, we created more than 21,000 NEW jobs and saw nearly $5.2 BILLION dollars in private investment.

In 2021, we saw new businesses and existing businesses expanding their footprint in Missouri, including:

Deli Star with nearly $100 million dollars invested and 475 new jobs in St. Louis,

Gateway Studios with $111 million dollars invested and more than 100 new jobs created in Chesterfield,

M-E-M-C, a semiconductor manufacturing company, invested $210 million dollars and 75 new jobs created in O'Fallon, and

John Deere Reman with $11 million dollars and 130 new jobs created in Springfield…

BUT business investment didn't just occur near Missouri's urban centers.

We saw…

Carlisle Construction Materials invest $62 million dollars and create 100 new jobs in Sikeston,

Swift Prepared Foods invested $250 million dollars and created nearly 400 new jobs in Moberly and Columbia,

American Foods Group plans to invest $450 million dollars and create 1,300 new jobs in Warren County

Amazon created 400 new jobs in Republic,

Frozen Food Express invested $6 million dollars and created 60 new jobs in Butler,

CoffeeTree Group created 50 new jobs in Marceline, a town of just 2,000 people,

AND we could go on and on.

But the point is, whether in our small towns, big cities, or anywhere in between, Missouri is open for business…and business is GOOD.

The rest of the nation is taking notice and companies are looking to our state for their future business expansions.

AND while we're at it, I want all of you to hear some of the amazing recognitions and rankings our state has earned because we ALL work together:

We are 1st in the United States for On-The-Job Training

We are 3rd in the United States for apprenticeships

We are 3rd in the United States for our business tax index – far outranking all of our neighboring states.

We are 4th in the United States for new manufacturing facilities

We are 4th in the United States for the best place to retire

We are 5th in the United States for our low cost of doing business

We are 7th in the United States for people relocating to our state

We are 7th in the United States for Tech Manufacturing Growth

Believe it or not…I'm only half way through…

We are 8th in the United States for economic recovery,

We are 8th in the United States for best place to work for nurses,

We are 9th in the United States for military retirees,

We are 9th in the United States for housing affordability,

We are 10th in the United States for our Automobile and Aerospace industries,

We are 10th in the United States for new business expansion,

We are 10th in the United States for site selection,

And now Ladies, listen to this one…We are 10th in the United States for Women in Technology.

Later this evening when we share these rankings with each of you, I hope you promote these wins for every district…every county…every Missourian.

The bottom line is Missouri's economy is STRONG.

With a historic budget surplus and federal dollars coming to our state, we want to build on our past momentum to capture even greater opportunities for the future of Missourians.

But I want to remind you that our economy is strong despite federal funding. When other states will be using federal dollars to fill spending gaps and budget shortfalls…

We will be making investments in the future, because in Missouri, we took a common sense approach to the pandemic, never shutdown businesses, and have always had a conservative and balanced budget.

You will be happy to hear that thanks to record economic performance…

Missourians will receive an additional tax cut this year.

The tax rate will be reduced to a new low of 5.3 percent, easing Missourians' tax burden yet again.

Thanks to common sense, responsible spending, and working with the General Assembly, this will be the second (2nd) time our administration has cut taxes for Missourians.

However, we must work to maintain this strong economic position by establishing a Cash Operating Expense Fund.

By setting aside an additional 2.5 percent of general revenue, we will achieve financial stability when the rainy days come.

This is the responsible thing to do… this is the conservative thing to do… this is the right thing to do…

From the beginning, we challenged the legislature to support workforce development and infrastructure, strengthen our communities, and improve government.

AND we have achieved some historic wins in each of those areas…together.

Workforce and Education

This session, we must recommit ourselves to helping skill up our workforce and preparing the next generations for the demands of the future.

Over the last few years, it has become more important than ever to provide adults with opportunities to learn new skills and develop their career potential.

In just a short time, and despite the pandemic, our Fast Track program saw a 65 percent increase in participants in 2021.

To our surprise, 80 percent of the recipients are women and 50 percent are first-generation college students.

Additionally, more than 50 percent are enrolled in health care programs, which has become a blessing considering the past 22 months.

We are happy to have two outstanding Fast Track participants from Bolivar Technical College with us here today.

Shanisha Alexander and Bryan Webb are pursuing degrees in nursing.

And we are proud of these students for their commitment and working toward a better future for themselves and their families.

Would Miss Alexander and Mr. Webb please stand to be recognized?

As you can see, this program is making a real difference for many Missourians and that is why we must permanently establish this program.

In 2019, we also revamped Missouri One Start through the Talent for Tomorrow initiative and today that program is ranked NINTH in the United States.

In just three years, Missouri One Start has assisted companies locating or expanding in Missouri with more than 700 programs aimed at recruiting and training new employees.

More than 76,000 workers have received training through this successful program.

To continue on this path, we must have a talented and dedicated team across state government.

I know that many of you would agree, that Missouri has some of the best of the best in our ranks.

The success of our state relies heavily on these public servants, and we must ensure we are able to recruit and retain quality team members to serve Missouri.

AND that is why we are proposing an immediate 5.5 percent cost of living adjustment for all state employees.

This is long overdue.

Another group of dedicated state team members is my Cabinet.

Our administration wouldn't have success without these individuals leading our state workforce.

Leading 16 departments and 42,000 individuals is no small task, but we couldn't be more proud of the work they do every day.

Would members of my Cabinet please stand to be recognized for the incredible things you have done for the citizens of the great State of

Missouri.

The future of Missouri – and Missouri families – relies upon children being healthy, safe, and ready to learn. We must continue to invest in our children and their education.

My own daughter is a public school teacher, and I know the tough jobs our educators take on. But they answer the call and work hard every day to prepare the next generation of Missourians.

Our students deserve a quality education and their parents demand it.

And that is why we are again fully funding the Foundation Formula.

Our teachers, administrators, and staff work tirelessly to support Missouri's students…

Last year, 95 percent of Missouri schools saw the value of in-person learning and did the right thing by keeping their doors open and our kids in schools where they belong.

AND thanks to their efforts, Missouri ranked 5th in the United States for highest proportion of in-person learning during the 20-21 school year.

Nothing can replace the classroom, and we are proud of those who recognize this and thank them for their dedication to Missouri children.

Unfortunately, Missouri is currently ranked 50th in United States for starting teacher pay and half of our new teachers leave the profession by their fifth year.

This is unacceptable, and we must do better.

That is why we are proposing to raise teacher pay in every corner of this state…

By partnering with local school districts, we can increase the baseline salary for new teachers to $38,000 dollars…and take the first step in addressing this issue.

I want to take a moment to highlight one of our exceptional educators here in Missouri.

Ms. Beth Houf is the principal of Fulton Middle School and was recently named the National Principal of the year by the National Association of Secondary School Principals.

This marks the first time in our state history that a Missouri principal has earned this top recognition.

We know the vast majority of Missouri educators get it right day-in and day-out, and Ms. Houf is a shining example of someone who gets it right.

Ms. Houf, would you please stand to be recognized?

No one in this chamber would be where they are today without quality educators in their lives...myself included.

In the current labor shortage, we must make lasting investments in our state's continuing education programs to prepare the next generations for the jobs of the future.

That is why we are requesting $31 million dollars for our colleges and universities through MO Excels projects. This will help expand enrollment in high-demand jobs.

Additionally, we are investing $20 million dollars in grant funding for our 57 area career centers to expand career and technical education programs.

With us here today, are students in career and technical education programs that represent schools and communities across the state that will benefit from these investments…

- From Northland Career Center's law enforcement training academy, we have…
    - Major Audrey Strope and Sergeant Nate Wassam.
- From Cape Girardeu Career and Technology Center, we have…
    - Nicholas Hodges, Computer Networking and Security
    - Lydia Strickland, Graphic Design
    - Anwyn Suhr, Digital Media
- From Carthage Technical Center Health Sciences, we have…

- Olivia Bourgaulet
- Danny Darland
- Carly Simpson

- From Jefferson City Nichols Career Center, we have Cody Elliot, a 2nd year welding student.
- From Pike-Lincoln Technical Center, we have…
  - Destyni Gabel, Building Trades and Construction
  - Haley Dowell, Auto Collision,
  - Joel Mound, Diesel Technology.

It's programs like these that offer a path for students to pursue high-demand, good-paying jobs, and we must continue to support them in this state.

Please join me in recognizing these hard-working students.

After working closely with Missouri's higher education institutions, we are very proud to be able to increase our investment in higher education.

We will recommend funding for the top capital improvement at state community colleges and 4-year institutions.

Combined with the MoExcels projects and scholarship opportunities, this investment will total nearly $600 million dollars…

AND generate over $1.1 billion dollars in economic impact for our state.

Infrastructure

As I've often said, workforce development and infrastructure go hand in hand. For our state to be successful, we must invest in both.

Communities across the state are faced with costly public water and wastewater system repair and replacement.

In order for individuals to live, work, and raise a family, the maintenance and improvement of these public systems must be a priority.

The state and local governments must work together to make meaningful and lasting investments that will strengthen every town and county in the state.

Under our proposal, we will make $250 million dollars available to communities across the state to enhance access to safe drinking water and responsible wastewater…

AND $150 million dollars to enhance storm water systems.

While I do not agree with the massive expansion of federal debt, the responsibility falls to us to invest wisely and make smart decisions…we must do what the federal government cannot.

Speaking of strengthening our communities, we are incredibly proud of the progress that has been made thanks to Focus on Bridges. This program set out to repair or replace 250 bridges across the state.

We are now nearing completion of 75 percent of those bridges, and this program's success has allowed us to leverage hundreds of millions of dollars in additional infrastructure investments in every region of the state.

It is critical that we continue making these important investments.

That is why we are proposing $75 million dollars to continue our Transportation Cost-Share program for road and bridge projects that bring economic impact to our state…

And $100 million dollars to improve low-volume roads and minor routes across the state of Missouri.

These are the hardest routes to fund and are important to local communities, especially in rural Missouri.

This investment will help us free up additional funding for much needed projects in suburban and urban areas…leaving no region behind.

This year, we are also proposing $400 million dollars to further increase broadband, the largest single investment in state history.

This investment will increase access across Missouri for rural areas, but also urban areas that are under-served.

With this plan, we will connect 75,000 households with high-speed broadband.

AND invest $30 million dollars toward constructing and upgrading cell towers to expand wireless networks across the state.

This is another core investment we are making for the next generation and the future of our state…

Agriculture

Road and bridge repair and broadband expansion are not only important for every Missourian but are critical for our state's number one industry…Agriculture.

For Missouri agriculture to remain strong, we must prioritize the extension of critical agricultural tax credits that support Missouri farmers and ranchers, ag-businesses, and value-added products.

Because we must always stand with Missouri's diverse group of agricultural producers.

These men and women wake up every day to feed and fuel the world, AND this has been especially true over the past 22 months.

When we were facing tough food-supply chain issues…they adjusted, they adapted, and they put food on the table, allowing us to avoid the hardships experienced in other states.

That is why we are calling for $10 million dollars to expand agriculture innovation and workforce programs.

Investments like this help ensure the agriculture way of life in the state of Missouri can be passed down to the next generations.

Speaking of the next generations, seated in the upper gallery, we have members of the Paris, Missouri FFA Chapter, which was recently recognized as the 2021 National FFA Chapter of the year... the highest award a chapter can earn in the nation.

Out of nearly 9,000 chapters nationwide, we are proud to be home to the National FFA Chapter of the year and even prouder of the Paris students.

Would members of the Paris FFA, please stand to be recognized?

With nearly $94 billion dollars in economic impact and nearly 460,000 jobs, Missouri is an agriculture state, and we must never forget it.

AND as a third-generation farmer, you can rest assured that agriculture will always remain a top priority for this administration.

Community Investments

Another area of focus this year is on creating more opportunities for our communities.

To further our goal to use public resources to make meaningful, long-term investments across the state, we will set aside $250 million dollars for a statewide revitalization grant program to spur local economic development.

This program will help bring economic opportunity to communities across the state, train more workers, define competitive advantages, and bring more jobs to Missouri.

Another asset for communities all across the state, is our state park and conservation network that is enjoyed by hundreds of thousands of visitors each year.

More and more people are getting out and experiencing Missouri's great outdoors…

AND this year, we have an opportunity to solidify this state asset and economic driver and expand tourism.

By investing $69 million dollars to start construction on the Rock Island trail…

We can help establish the largest circular rail-to-trail network in the United States and a world-class, one-of-a-kind destination for travelers coming to Missouri…while also supporting businesses and creating jobs.

Health Care

One of the lessons we learned from the COVID-19 pandemic is that we must also support our communities by strengthening our health care networks across the state.

That is why we are asking for a $34 million dollar investment in rural communities to increase access to telehealth and telemedicine services.

Another historic investment we are recommending is a new multi-agency state health laboratory.

This lab will accommodate the needs of the Department of Health and Senior Services, Department of Agriculture, Department of Conservation, and Department of Natural Resources and join them together on one campus.

This will lead to safer, healthier Missourians and a more efficient use of public resources.

This year, we are also proposing to double the capacity of our Missouri Autism centers.

This will help more families navigate the challenges of treating autism…

And reduce the backlog for Missouri families desperately needing services.

I want to thank State Treasurer Scott Fitzpatrick and the First Lady for helping bring this to our attention and working to get this done.

Public Safety

This year, we must take a renewed look at public safety and how best to fight violent crime.

We must continue to support our law enforcement professionals who put their lives on the line to protect our families.

We can do this by ensuring consistent requirements and appropriate penalties to hold violent criminals accountable…

While also protecting Missourian's second amendment rights, just as our administration has always done.

That said, it's not just how we deal with violent criminals, we must make sure those with behavioral health and substance use disorders receive the treatment and support they need.

Last year, with the support of the General Assembly, we made great progress in providing proper treatment options to Missourians by increasing community support through crisis stabilization centers and community behavioral health liaisons.

This year, we are asking to provide an additional $140 million dollars to support and increase services at health centers across the state.

Last year, we also highlighted the first law enforcement training academy in the country at a historically Black college at Lincoln University.

AND this year, we are building on that investment with over $11 million dollars for upgrades and to provide more scholarships for law enforcement officers to receive POST certification and put more officers on the streets.

Thanks to the leadership of Senator Williams, Senator Leutkemeyer, and Representative Roberts we can ensure our law enforcement professionals are using policing strategies and techniques that make us all proud.

With us here today is a very special guest…Missouri State Highway Patrol Trooper Colton J. Beck.

In December, Trooper Beck was attempting to conduct a routine traffic stop when the suspect fled and a pursuit ensued.

The suspect then opened fire on Trooper Beck, striking him in the face, neck, and upper torso.

Despite being seriously injured, Trooper Beck remained calm and assisted his fellow officers despite the threat posed to his life.

He is a proud example of all law enforcement officers who serve this state honorably.

Would you please join me in giving Trooper Beck a well-deserved round of applause?

Missourians respect law and order, but as a former Sheriff it alarms me to see some of the attitudes toward those who have taken an oath to defend our communities and keep us safe.

We must work to strengthen our communities by supporting our men and women in law enforcement.

AND learn from the failed policies in other cities and states to never allow anti-law enforcement measures to take hold in this state.

In Missouri, we DEFEND law enforcement, not defund them.

During my very first state of the state, I laid out our strategy to focus on workforce development and infrastructure…

Now, we have real opportunity to make lasting investments in these areas and the future of our state…

But with these opportunities comes a responsibility to be mindful about the role of government and where and how it should be involved.

Government should invest…not waste;

Government should lead…not dictate;

Government should support…not mandate;

AND we must all remember that.

In this state…

We have created tens of thousands of new jobs, but we can do more.

We have built hundreds of new bridges and repaired thousands of miles of road, but we can do more.

We have expanded broadband to thousands of homes and businesses, but we can do more.

We have strengthened communities in urban areas, in suburban areas, in rural areas, but we can do more.

AND we are ready to stand with each and every one of you to do more for the people of Missouri.

It is our time…and the time is now.

CONCLUSION

In closing, there's a story from this past year that I want to share with all of you…

In September, I stood on the tarmac at Lambert Airport when a young man made his return home and when a family found the courage to welcome him…one last time.

Corporal Jared Schmitz made the ultimate sacrifice for his bravery in defending his nation during the withdrawal from Afghanistan.

He did his duty with honor and without question to protect freedom for his family, his community, his state, and his nation.

AND in such a difficult moment, one wonders how we can ever make it through…but by taking a look around, you can always find the answer… our people.

When our nation couldn't be more divided…I saw a community that couldn't be closer.

When a family felt pain and loss…I saw them embraced by friends, neighbors, and total strangers.

In THIS challenging moment…I saw the best of who Missourians are.

And that's why I'm proud to be the Governor of this great state.

AND as we close out these past 22 months and look to our next chapter…remember…our strength is our people.

When times are hard, Missourians move forward.

When someone is down, Missourians lift them up.

These past years have been tough and dividing for a lot of people, but Missourians stay true…they give their best…and they always put others first.

AND we are a better state…a better people… because of it.

When we look to the future and not dwell in the past, when we find solutions instead of problems…when we stand together instead of apart…we can accomplish anything.

We must always Keep Pushing Forward in this state, because no one is coming to do it for us.

Missouri is STRONG today and will be EVEN STRONGER tomorrow.

It is an honor and privilege to serve as the 57th Governor of the state of Missouri.

God bless you, God bless the great state of Missouri, and God bless the United States of America.

On motion of Senator Rowden, the Joint Session was dissolved and the Senators returned to the Chamber where they were called to order by Senator Hough.

Journal of the Senate

SECOND REGULAR SESSION

FOURTEENTH DAY—MONDAY, JANUARY 31, 2022

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

Senator May offered the following prayer:

Lord who enlightens, we ask for Your supernatural wisdom as we make some tough decisions during this session.
Help us to carefully consider the relevant information that has been gathered.
May those sharing information give us pertinent points so we all clearly understand.
Help us to be innovative as we brainstorm solutions.
Help us to wisely evaluate our options, considering the pros and cons.
Help us to be unified in making the best possible decisions and to effectively carry them out.
Heavenly Father, in our hearts we plan our course, but we pray that You establish our steps.
I pray that we seek You for advice.
Let us not make decisions based upon what we know but let us act based upon Your wisdom.
Please guide us, Lord.
We place this session in Your hands.
We place our hearts and our minds in Your hands so that You may direct us.
God of peace, we invite You to preside over this meeting.
Even if we have different opinions, give us unity of spirit.
Help us to each listen politely as others share their points of view.
Help us to work as a unified team in combining ideas for a great outcome.
Help us to work as a whole, rather than as individuals trying to promote their own agendas.
May we have a spirit of camaraderie in this room and work together on our shared mission.
In Jesus' Name Amen.

As we begin a new week let us be mindful that we are here to serve and not be served. And bless us Lord, and help us do what must be done that all we accomplish speaks to Your glory with us. In Your Holy Name we pray. Amen.

CONCURRENT RESOLUTIONS

Senator Eigel offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 32

Whereas, Article I of the United States Constitution begins "All legislative powers herein granted shall be vested in a Congress"; and

Whereas, the Congress has exceeded the legislative powers granted in the Constitution thereby encroaching on the powers that are "reserved to the states respectively, or to the people" as the Tenth Amendment affirms and the rights "retained by the people" to which the Ninth Amendment refers; and

Whereas, in Federalist No. 10, James Madison wrote that "No man is allowed to be a judge in his own cause, because his interest would certainly bias his judgment, and,...with greater reason, a body of men are unfit to be both judges and parties at the same time"; and

Whereas, this same principle was emphasized in the 1798 Kentucky Resolutions (drafted by Thomas Jefferson) that the United States government "was not made the exclusive or final judge of the extent of the powers delegated to itself; since that would have made its discretion, and not the Constitution, the measure of its powers"; and

Whereas, the Congress has latent but neglected powers to correct such judicial supremacy by means of Article III Section 2 regulations on appellate jurisdiction, yet by similar reasoning such regulatory powers should be additionally extended to the several states, heeding Jefferson's warnings that we not make the Constitution "a mere thing of wax in the hands of the judiciary" for "to consider the judges as the ultimate arbiters of all constitutional questions" would then "place us under the despotism of an oligarchy", rather "the people themselves" are the "true corrective of constitutional abuses" and the states remain the closest and most representative voice of the people; and

Whereas, the United States Constitution should then be amended to enable the several states to correct violations of the limited powers by the United States and thereby restore the proper balance between the powers of Congress and those of the several states, and better prevent the denial or disparagement of the rights retained by the people:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby strongly urge the Congress of the United States to propose the following amendment, known as the State Powers Amendment, or SPA:

"Section 1. Any provision of law or regulation of the United States may be repealed by the several states, and such repeal shall be effective when the legislatures of a Representative Majority of the several states approve resolutions for this purpose that particularly describe the same provision or provisions of law or regulation to be repealed. A Representative Majority of the several states is a majority of the states also having together a majority of the apportioned Representatives in Congress.

Section 2. The several states shall have power to make regulations and exceptions to the appellate jurisdiction of the Supreme Court and all inferior courts and tribunals of the United States, and such regulations and exceptions shall be effective when the legislatures of a Representative Majority of the several states approve identical resolutions for this purpose no more than five years apart."; and

Be It Further Resolved that should the Congress fail to act after two-thirds of the several states petition alike in substance for a State Powers Amendment, then a "convention to propose amendments" under Article V of the United States Constitution shall be the proper course and that delegates to such convention should be selected by the legislatures in the several states and should vote by state, according to the practices established by the 1787 Federal Convention in Philadelphia; and

Be It Further Resolved that the state of Missouri reserves its further right to petition in the same manner for further amendments as the General Assembly may deem warranted; and

Be It Further Resolved that copies of this resolution be forwarded to the legislatures of all the several states inviting them to likewise join in support of this petition; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for

the Speaker of the United States House of Representatives, the President of the United States Senate, and each member of the Missouri congressional delegation.

Let us have such a trust in You also while seeking the wisdom that comes from knowing You, our God. May the bills we bring forth reflect that wisdom so that they may be most helpful and needed by the people we seek to assist as we hope to guide the future pathways of this state. In Your Holy Name we pray. Amen.

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-FIRST DAY—TUESDAY, FEBRUARY 15, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"For you who revere my name the sun of righteousness shall rise, with healing in its wings, says the Lord of host." (Malachi 4:2)

Gracious God as the sun rose this day and we rejoice in clear weather and rising temperature, even if for a short time, we give You thanks for all that comes from Your gracious hand. We are thankful for the opportunity to serve and lead those who need our help throughout this state. We would ask as many still suffer from Covid and its variances that Your guidance be given to those who provide comfort and healing and Your people recover and be well. So, we pray for all those who call upon You for help that it be given. And we pray that You will bless us in our work this week and help us find ways to work together. In Your Holy Name we pray. Amen.

Senator Razer offered the following resolution:

SENATE RESOLUTION NO. 563

Whereas, Missouri and the United Kingdom have long been trade partners and trade nearly two billion dollars in goods and services annually; and

Whereas, over fifty United Kingdom companies are currently invested in Missouri, and over twenty-five Missouri companies are currently invested in the United Kingdom; and

Whereas, Missouri and the United Kingdom have many historical connections, including:

(1) One million Missourians who can trace their ancestry to the British Isles;

(2) America's National Churchill Museum in Fulton, Missouri, which is located at the site of Sir Winston Churchill's famous 1946 Iron Curtain speech and is housed beneath a chapel built by Sir Christopher Wren that was relocated from London; and

(3) The first state-level Friends of the United Kingdom caucus in the United States; and

Whereas, a free trade agreement would create employment opportunities for Missouri residents as a direct result of removing and reducing barriers to trade and to free markets and would increase Missouri exports to the United Kingdom; and

Whereas, Missouri would benefit greatly from the ratification of a comprehensive free trade agreement, especially in the shared industries of manufacturing, agriculture, health innovation, and next-generation energy sources; and

Whereas, trade and investment between Missouri and the United Kingdom would be mutually beneficial, especially in the areas of AgTech and agriculture, license reciprocity, apprenticeships, energy innovation, medical research, and geospatial analysis; and

Whereas, the United States Constitution grants the United States Congress exclusive authority to regulate commerce with foreign nations; and

Whereas, the negotiation of a successful free trade agreement between the United States and the United Kingdom will require bipartisan cooperation between state, federal, and foreign governments; and

Whereas, increasing global trade, especially with the United Kingdom, is of vital importance to the growth of the United States' economy, to small business participation in the international marketplace, and to job creation:

Now Therefore Be It Resolved that we, the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby urge:

(1) The United States Congress to grant trade promotion authority to the executive branch;

(2) The executive branch of the United States to complete a timely and successful negotiation of a comprehensive and mutually beneficial free trade agreement between the United States and the United Kingdom; and

(3) The United States Congress to ratify such agreement; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for President Joe Biden, Senate Majority Leader Chuck Schumer, House Speaker Nancy Pelosi, each member of Missouri's congressional delegation, and Governor Mike Parson.

Senator Hoskins offered Senate Resolution No. 564, regarding Eagle Scout Parker Savage, Chillicothe, which was adopted.

Senator Hoskins offered Senate Resolution No. 565, regarding Eagle Scout Clayton Savage, Chillicothe, which was adopted.

CONCURRENT RESOLUTIONS

Senator Bean offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 33

Whereas, the cultivation and harvesting of peaches in Campbell, Missouri has long been an integral part of the city and region; and

Whereas, with a mild climate and soil that is good for producing quality peaches, Campbell is the perfect growing spot for peaches; and

Whereas, almost eighty-five percent of the state's peach harvest is grown in Campbell; and

Whereas, local peach growers have over 125,000 peach trees on more than 1,000 acres; and

Whereas, local peach growers employ local teenagers and seasonal workers each season to harvest the peaches, in addition to year round staff; and

Whereas, from its annual Missouri Peach Fair to the peach basket water tower, the city of Campbell has long been known as the peach capital of the state of Missouri:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, that the city of Campbell, Missouri, shall be known as the Peach Capital of Missouri; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the city of Campbell.

All property, real and personal, of the state, counties and other political subdivisions, and nonprofit cemeteries, **[**and**]** all real property used as a homestead as defined by law of any citizen of this state who is a former prisoner of war, as defined by law, and **[**who has a total service-connected disability,**]** **all real property used as a homestead as defined by law of any disabled veteran** shall be exempt from taxation; all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments shall be exempt from taxation; and all property, real and personal, not held for private or corporate profit and used exclusively for religious worship, for schools and colleges, for purposes purely charitable, for agricultural and horticultural societies, or for veterans' organizations may be exempted from taxation by general law. In addition to the above, household goods, furniture, wearing apparel and articles of personal use and adornment owned and used by a person in his home or dwelling place may be exempt from taxation by general law but any such law may provide for approximate restitution to the respective political subdivisions of revenues lost by reason of the exemption. All laws exempting from taxation property other than the property enumerated in this article, shall be void. The provisions of this section exempting certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments from taxation shall become effective, unless otherwise provided by law, in each county on January 1 of the year in which that county completes its first general reassessment as defined by law.

2. All revenues lost because of the exemption of certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments shall be replaced to each taxing authority within a county from a countywide tax hereby imposed on all property in subclass 3 of class 1 in each county. For the year in which the exemption becomes effective, the county clerk shall calculate the total revenue lost by all taxing authorities in the county and extend upon all property in subclass 3 of class 1 within the county, a tax at the rate necessary to produce that amount. The rate of tax levied in each county according to this subsection shall not be increased above the rate first imposed and will stand levied at that rate unless later reduced according to the provisions of subsection 3. The county collector shall disburse the proceeds according to the revenue lost by each taxing authority because of the exemption of such property in that county. Restitution of the revenues lost by any taxing district contained in more than one county shall be from the several counties according to the revenue lost because of the exemption of property in each county. Each year after the first year the replacement tax is imposed, the amount distributed to each taxing authority in a county shall be increased or decreased by an amount equal to the amount resulting from the change in that district's total assessed value of property in subclass 3 of class 1 at the countywide replacement tax rate. In order to implement the provisions of this subsection, the limits set in section 11(b) of this article may be exceeded, without voter approval, if necessary to allow each county listed in section 11(b) to comply with this subsection.

3. Any increase in the tax rate imposed pursuant to subsection 2 of this section shall be decreased if such decrease is approved by a majority of the voters of the county voting on such decrease. A decrease in the increased tax rate imposed under subsection 2 of this section may be submitted to the voters of a county by the governing body thereof upon its own order, ordinance, or resolution and shall be submitted upon the petition of at least eight percent of the qualified voters who voted in the immediately preceding gubernatorial election.

4. **(1)** As used in this section, the terms "revenues lost" and "lost revenues" shall mean that revenue which each taxing authority received from the imposition of a tangible personal property tax on all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments in the last full tax year immediately preceding the effective date of the exemption from taxation granted for such property under subsection 1 of this section, and which was no longer received after such exemption became effective.

(2) As used in this section, the term "disabled veteran" shall mean an individual who:

(a) Is a resident of this state;

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

"Owe no one anything, except to love one another; for the one who loves another has fulfilled the law." (Romans 13:8)

Merciful Father, we are constantly confronted with various difficulties, complex issues, varied opinions and bills that need us to do our very best to address. Help us Lord, to make the soundest decisions we can as each of us is called to decide "yea or nay" and in doing so with the hope it provides the very best response on what is right and most useful. In Your Holy Name we pray. Amen.

CONCURRENT RESOLUTIONS

Senator Washington offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 35

Relating to sickle cell awareness week.

Whereas, sickle cell disease is an inherited blood disorder that affects red blood cells. People with sickle cell disease have red blood cells that contain an abnormal type of hemoglobin; and

Whereas, normal red blood cells contain hemoglobin A. Hemoglobin S and hemoglobin C are abnormal types of hemoglobin; and

Whereas, red blood cells containing mostly hemoglobin S do not live as long as normal red blood cells and have difficulty passing through the body's small vessels. These hemoglobin S red blood cells can block small blood vessels, resulting in tissue damage due to less blood reaching that portion of the body; and

Whereas, sickle cell trait is an inherited condition in which both hemoglobin A and S are produced in the red blood cells, always more A than S. Sickle cell trait is not a type of sickle cell disease; and

Whereas, sickle cell conditions are inherited from parents in much the same way as blood type, hair color and texture, eye color, and other physical traits. The types of hemoglobin a person makes in their red blood cells depends upon what hemoglobin genes the person inherits from his or her parents; and

Whereas, since sickle cell conditions are inherited from parents, it is important for people to be aware if they are a carrier before having children; and

Whereas, more than 90,000 people in the United States have sickle cell disease, affecting mostly persons of African heritage according to the National Institute of Health. Currently, there is no universal cure for sickle cell disease; and

Whereas, sickle cell disease results in a shortened life expectancy, with the average life expectancy being 42 years for men and 48 years for women; and

Whereas, sickle cell disease impacts 1 out of every 400 African Americans, and based on Missouri's population of 6.1 million, there are approximately 2,052 sickle cell disease patients in the state of Missouri; and

Whereas, based on population numbers, approximately 446 African American sickle cell disease patients reside in Jackson County, 661 in St. Louis County, and 370 in St. Louis City; and

Whereas, health maintenance for persons with sickle cell disease starts with early diagnosis, preferably as a newborn; and

Whereas, treatment of complications often includes antibiotics, pain management, intravenous fluids, blood transfusions, and surgery in combination with psychosocial support; and

Whereas, sickle cell disease patients face notable health disparities that impact their care and quality of life. Patients with sickle cell disease have a higher rate of returning to the hospital within 30 days of discharge compared to other health conditions. Since the disease and its symptoms are often poorly understood, many sickle cell disease patients experience longer wait times to see a doctor and to receive needed pain medication in the emergency department; and

Whereas, there are promising new treatments being developed which can prevent red blood cells from sickling without causing harm to other parts of the body, reduce the frequency of severe pain and acute chest syndrome, reduce the need for blood transfusions, and provide options to eliminate iron overload caused by repeated blood transfusions; and

Whereas, increased patient education is key to ensuring individuals understand sickle cell disease, its impacts, and possible treatments; and

Whereas, public awareness about sickle cell trait and disease and the numerous programs and screenings available is vital to reduce the pervasiveness of sickle cell conditions:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate the third full week in September as "Sickle Cell Awareness Week" in Missouri; and

Be It Further Resolved that the General Assembly encourages and urges all citizens of this state to participate in activities during Sickle Cell Awareness Week to address the pervasiveness of sickle cell trait and disease and the need to increase public awareness of the available programs and screenings, as well as increase public awareness of the health disparities impacting sickle cell disease patients; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-FIFTH DAY—THURSDAY, FEBRUARY 24, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

Senator Rowden offered the following prayer:

Father, we thank You for today and for the honor we have been given to serve the people of Missouri here in the Missouri Senate.

Watch over us today. Give us wisdom to recognize the moments You provide to bless Missourians through our work here. And give us a supernatural outpouring of grace and compassion, both for our colleagues here in the capitol, and for our neighbors back home.

May we heed the words of the prophet Micah, who told us to "Act justly, love mercy, and walk humbly before You our God."

Watch over our families back home and grant us safety as we return to them today.

We ask all of this in the Name of Jesus. Amen.

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-SIXTH DAY—MONDAY, FEBRUARY 28, 2022

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

The Reverend Carl Gauck offered the following prayer:

"God is our refuge and strength, a very present help in trouble." (Psalm 46:1)

O God, we are grateful for our sunny, safe travel here today and those who cleared the road for us as we traveled home last Thursday. And Lord, You are our refuge and strength who has bound us together in a common life. We see violence and war in Ukraine and our world and conflict that challenges us and stresses our lives. Help us to listen to Your word and help us not fail to be those who seek peace. And help us find ways to confront those who seek to destroy and work to stop such actions. We pray that You heal the hurting and console the grieving and provide protection for the innocent and helpless. And Lord, give wisdom to our leaders to find a path towards peace. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-EIGHTH DAY—WEDNESDAY, MARCH 2, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Only fear the Lord, and serve Him faithfully with all your heart; for consider what great things He has done for you." (I Samuel 12:24)

Merciful Father, in the ancient of days this was a day of sackcloth and ashes, a sign of our repentance as we look critically at our lives and seek to be reconciled. May that be true with us as we pray to You this day, aware of our bumbling ways and need of Your mercy. Keep us close to Your heart that even our groans are heard and You provide us with hope and guidance through this dark day of ashes towards Your promise to be with You always. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator Rowden announced photographers from Nexstar Media Group and KY3 were given permission to take pictures in the Senate Chamber.

RESOLUTIONS

Senator Beck offered Senate Resolution No. 592, regarding the students at Gotsch Intermediate School, Affton, which was adopted.

Senator Wieland offered the following resolution:

SENATE RESOLUTION NO. 593

Whereas, Ukraine is a sovereign and independent nation located in Eastern Europe; and

Whereas, following the collapse of the Soviet Union, the Ukrainian people voted overwhelmingly to form a nation independent from Russia, building a democracy and a thriving country grounded in the rule of law; and

Whereas, in the three decades since gaining its independence, Ukraine has sought to forge its own path as a sovereign state and sought closer economic, social and political ties with the free market and democratic nations of the West; and

Whereas, the Russian Federation deployed military assets, seeking to block the free will of the Ukrainian people from their pursuit of security, peace and prosperity through their own democratic republic; and

Whereas, the Russian Federation military, at the direction of Vladimir Putin, began a premeditated and brutal assault on the people of Ukraine without provocation and without justification by launching a violent and illegal invasion that has led to war crimes due to the murder of innocent civilian men, women and children; and

Whereas, the Russian Federation violated international peace by mobilizing over one hundred and fifty thousand troops to invade the sovereign nation of Ukraine, bringing the ravages of war, the destruction it sows and the tyranny it leaves behind; and

Whereas, the Russian Federation's actions are a direct attack against Ukraine and violate the peace, prosperity and stability of Europe that has been enjoyed for more than seventy years:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby condemn and oppose the unprovoked invasion and egregious act of aggression against the sovereign state of Ukraine by the Russian Federation; and

Be it further resolved that the Missouri Senate strongly supports the rights of the people of Ukraine to freely determine their future, including their country's relationship with other nations and international organizations, without interference, intimidation, or coercion by other countries and the Missouri Senate is committed itself to solidarity with the people and government of Ukraine; and

Be it further resolved that the Missouri Senate urges all Missourians to support and promote the democratic values of a free country and provide as much support as possible through generous donations, support and prayers for the Ukrainian people and the willingness of the United States to take in Ukrainian refugees; and

Be it further resolved that the Missouri Senate urges the United States government to immediately supply arms, ammunition, medical supplies, and humanitarian aid to the Ukrainian people; and

Be it further resolved that the Missouri Senate urges the United States Government to work with the international coalition of the world's leading nations to ensure that all nations refuse to recognize the illegal invasion of Ukraine by the Russian Federation and to ensure that the Russian Federation is held accountable and sustains the maximum penalty and consequence of its utter disregard for international law and human rights; and

Be it further resolved that the Missouri Senate urges the United States government and its allies to protect the sovereign airspace above Ukraine and give relief to the civilians of Ukraine from the relentless, violent bombings from the Russian Federation military; and

Be it further resolved that the Secretary of the Senate prepare a properly inscribed copy of this resolution for the President of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional delegation.

Senator Bernskoetter offered the following resolution:

SENATE RESOLUTION NO. 594

Whereas, Ukraine is a sovereign and independent nation located in Eastern Europe and an ally, under a bilateral investment treaty, of the United States; and

Whereas, Russia, a transcontinental country spanning Eastern Europe and Northern Asia, has launched an all-out invasion of Ukraine by land, air, and sea; and

Whereas, Russian forces have dramatically escalated their offenses by deploying a forty-mile long convoy of tanks and other military equipment advancing south to attack the people of Ukraine, including the City of Kyiv; and

Whereas, Russia's invasion of Ukraine is the largest invasion of a sovereign nation in Europe since World War II; and

Whereas, the combat is directly responsible for massive civilian casualties, including a Russian mortar attack on a children's hospital that inflicted devastating loss of life; and

Whereas, Russia's attack on Ukraine was unprovoked and unjustified; and

Whereas, as the attack intensifies, the humanitarian crisis could reach unprecedented levels, with the United Nations estimating that between one million and five million people will be in need of urgent health care, safety, and security; and

Whereas, Ukraine's President, Volodymyr Zelenskyy, declared that Russia had "embarked on a path of evil, but [Ukraine] is defending itself and won't give up its freedom ...":

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session hereby:

(1) Proudly stand alongside Ukraine, its people, and its leaders during this horrific and unnecessary war and vow to support Ukraine and hold Russia fully accountable for its catastrophic decision to invade;

(2) Condemn, in the strongest possible terms, Vladimir Putin's violent attack on the people of Ukraine and strongly endorse the swift and severe economic sanctions and stringent export controls that President Biden's administration has imposed on Russia;

(3) Urge Russia to immediately cease its violent, illegal, and immoral assault upon Ukraine, end the needless bloodshed, and return to diplomacy and the rules-based international order that has ensured peace and prosperity for so many; and

(4) Recommend to the President of the United States and the United States Congress to reaffirm our country's unwavering support for Ukraine's freedom, sovereignty, and territorial integrity within its internationally recognized borders, extending to its territorial waters; and

Be It Further Resolved that the United States should take prudent and responsible measures to ensure that the required force posture is present in Europe to deter and, if necessary, defeat Russian aggression against any NATO member; and

Be It Further Resolved that the United States should immediately strengthen additional sanctions on Russia by restricting the Russian banking and financial sectors, cybersecurity, and other key industrial sectors; and

Be It Further Resolved that the United States should immediately bolster energy connectivity in Eastern Europe; and

Be It Further Resolved that the United States should expand the target list of Russian officials under the Magnitsky Act, which would implement a greater range of targeted sanctions aimed directly at Russian officials responsible for violating Ukrainian freedom and sovereignty, including the freezing of financial assets and the imposition of visa bans; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and each member of the Missouri Congressional delegation.

The Senate observed a moment of silence for the fallen Kansas City Public Works employees and their families.

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for Senate Bills Nos. 698 and 639, Page 1, In the Title, Line 3, by striking the words "services for certain low-income women"; and

Further amend said bill, page 14, section 208.151, line 411 by inserting after all of said line the following:

"208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as described in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. Section 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and

regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. Section 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere**, provided, no funds shall be expended to any abortion facility, as defined in section 188.015, or any affiliate or associate thereof**;

(7) Subject to appropriation, up to twenty visits per year for services limited to examinations, diagnoses, adjustments, and manipulations and treatments of malpositioned articulations and structures of the body provided by licensed chiropractic physicians practicing within their scope of practice. Nothing in this subdivision shall be interpreted to otherwise expand MO HealthNet services;

(8) Drugs and medicines when prescribed by a licensed physician, dentist, podiatrist, or an advanced practice registered nurse; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, podiatrist, or an advanced practice registered nurse may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(9) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(10) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(11) Home health care services;

(12) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions or any abortifacient drug or device that is used for the purpose of inducing an abortion unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in the physician's professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(13) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. Section 1396d, et seq.);

(14) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(15) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his or her physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if he or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(16) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. Section 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or

as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(17) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. Section 301, et seq.) subject to appropriation by the general assembly;

(18) The services of an advanced practice registered nurse with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(19) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(20) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(21) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(22) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(24) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(25) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as described in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to

chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (15) and (16) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. Section 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. Section 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be

eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. Section 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

10. The MO HealthNet division may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. If the Missouri Medicaid audit and compliance unit changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, the Missouri Medicaid audit and compliance unit shall notify all affected MO HealthNet providers five business days before such change shall take effect. Failure of the Missouri Medicaid audit and compliance unit to notify a provider of such change shall entitle the provider to continue to receive and retain reimbursement until such notification is provided and shall waive any liability of such provider for recoupment or other loss of any payments previously made prior to the five business days after such notice has been sent. Each provider shall provide the Missouri Medicaid audit and compliance unit a valid email address and shall agree to receive communications electronically. The notification required under this section shall be delivered in writing by the United States Postal Service or electronic mail to each provider.

13. Nothing in this section shall be construed to abrogate or limit the department's statutory requirement to promulgate rules under chapter 536.

14. Beginning July 1, 2016, and subject to appropriations, providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems shall be reimbursed utilizing the behavior assessment and intervention reimbursement codes 96150 to 96154 or their successor codes under the Current Procedural Terminology (CPT) coding system. Providers eligible for such reimbursement shall include psychologists.

208.153. 1. Pursuant to and not inconsistent with the provisions of sections 208.151 and 208.152, the MO HealthNet division shall by rule and regulation define the reasonable costs, manner, extent, quantity, quality, charges and fees of MO HealthNet benefits herein provided. The benefits available under these sections shall not replace those provided under other federal or state law or under other contractual or legal entitlements of the persons receiving them, and all persons shall be required to apply for and utilize all benefits available to them and to pursue all causes of action to which they are entitled. Any person entitled

to MO HealthNet benefits may obtain it from any provider of services with which an agreement is in effect under this section and which undertakes to provide the services, as authorized by the MO HealthNet division**, provided, said provider shall not include any abortion facility, as defined in section 188.015, or any affiliate or associate thereof**. At the discretion of the director of the MO HealthNet division and with the approval of the governor, the MO HealthNet division is authorized to provide medical benefits for participants receiving public assistance by expending funds for the payment of federal medical insurance premiums, coinsurance and deductibles pursuant to the provisions of Title XVIII B and XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), as amended.

2. MO HealthNet shall include benefit payments on behalf of qualified Medicare beneficiaries as defined in 42 U.S.C. Section 1396d(p). The family support division shall by rule and regulation establish which qualified Medicare beneficiaries are eligible. The MO HealthNet division shall define the premiums, deductible and coinsurance provided for in 42 U.S.C. Section 1396d(p) to be provided on behalf of the qualified Medicare beneficiaries.

3. MO HealthNet shall include benefit payments for Medicare Part A cost sharing as defined in clause (p)(3)(A)(i) of 42 U.S.C. 1396d on behalf of qualified disabled and working individuals as defined in subsection (s) of Section 42 U.S.C. 1396d as required by subsection (d) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989). The MO HealthNet division may impose a premium for such benefit payments as authorized by paragraph (d)(3) of Section 6408 of P.L. 101-239.

4. MO HealthNet shall include benefit payments for Medicare Part B cost sharing described in 42 U.S.C. Section 1396(d)(p)(3)(A)(ii) for individuals described in subsection 2 of this section, but for the fact that their income exceeds the income level established by the state under 42 U.S.C. Section 1396(d)(p)(2) but is less than one hundred and ten percent beginning January 1, 1993, and less than one hundred and twenty percent beginning January 1, 1995, of the official poverty line for a family of the size involved.

5. For an individual eligible for MO HealthNet under Title XIX of the Social Security Act, MO HealthNet shall include payment of enrollee premiums in a group health plan and all deductibles, coinsurance and other cost-sharing for items and services otherwise covered under the state Title XIX plan under Section 1906 of the federal Social Security Act and regulations established under the authority of Section 1906, as may be amended. Enrollment in a group health plan must be cost effective, as established by the Secretary of Health and Human Services, before enrollment in the group health plan is required. If all members of a family are not eligible for MO HealthNet and enrollment of the Title XIX eligible members in a group health plan is not possible unless all family members are enrolled, all premiums for noneligible members shall be treated as payment for MO HealthNet of eligible family members. Payment for noneligible family members must be cost effective, taking into account payment of all such premiums. Non-Title XIX eligible family members shall pay all deductible, coinsurance and other cost-sharing obligations. Each individual as a condition of eligibility for MO HealthNet benefits shall apply for enrollment in the group health plan.

6. Any Social Security cost-of-living increase at the beginning of any year shall be disregarded until the federal poverty level for such year is implemented.

7. If a MO HealthNet participant has paid the requested spenddown in cash for any month and subsequently pays an out-of-pocket valid medical expense for such month, such expense shall be allowed as a deduction to future required spenddown for up to three months from the date of such expense.”; and

Further amend the title and enacting clause accordingly.

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-NINTH DAY—THURSDAY, MARCH 3, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"You show me the path of life. In Your presence there is fullness of You; in Your right hand are pleasures forevermore." (Psalm 16:11)

Gracious God, in our daily lives we experience the joy of being Your child, and therefore we know life and the fullness of Your joy. As we complete our work on this day and return to our loved ones make us truly mindful of the gifts that they are in our lives and a sense of completeness they bring to us. May we express this joy and our love of them always. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

Further amend the title and enacting clause accordingly.

Senator Rowden moved that the above amendment be adopted.

Senator Schupp raised the point of order that **SA 1** is out of order as it amends chapter 610 relating to

the sunshine law and therefore goes beyond the scope of the underlying bill.

The point of order was referred to the President Pro Tem, who ruled it not well taken.

Senator Rowden moved that **SA 1** be adopted, which motion prevailed.

Senator Schupp offered **SA 2**:

SENATE AMENDMENT NO. 2

Amend Senate Substitute for Senate Committee Substitute for Senate Bill No. 745, Page 53, Section 393.1700, Line 1133, by inserting after all of said line the following:

"393.1715. 1. An electrical corporation may petition the commission for a determination of the ratemaking principles and treatment, as proposed by the electrical corporation, that will apply to the reflection in base rates of the electrical corporation's capital and noncapital costs associated with the proposed retirement of one or more of the electrical corporation's generating facilities. Without limiting the foregoing, such principles and treatment may also establish the retirement date and useful life parameters used to set depreciation rates for such facilities. Except as provided for in subsection 4 of this section, the ratemaking principles and treatment approved by the commission under this section for such facilities shall apply to the determination of the revenue requirement in each of the electrical corporation's post-determination general rate proceedings until such time as such facility is fully depreciated on the electrical corporation's books.

2. If the commission fails to issue a determination within two hundred fifteen days that a petition for determination of ratemaking principles and treatment is filed, the ratemaking principles and treatment proposed by the petitioning electrical corporation shall be deemed to have been approved by the commission.

3. Subject to the provisions of subsection 4 of this section, ratemaking principles and treatment approved by the commission, or deemed to have been approved under subsection 2 of this section, shall be binding for ratemaking purposes.

4. (1) An electrical corporation with ratemaking principles and treatment approved by the commission, or deemed to have been approved under subsection 2 of this section, shall monitor the major factors and circumstances relating to the facility to which such principles and treatment apply. Such factors and circumstances include, but are not limited to:

(a) Terrorist activity or an act of God;

(b) A significant change in federal or state tax laws;

(c) A significant change in federal utility laws or regulations or a significant change in generally accepted accounting principles;

(d) An unexpected, extended outage or shutdown of a major generating unit, other than any major generating unit shut down due to an extended outage at the time of the approval of the ratemaking principles and treatment;

(e) A significant change in the cost or reliability of power generation technologies;

(f) A significant change in fuel prices and wholesale electric market conditions;

(g) A significant change in the cost or effectiveness of emission control technologies;

(h) A significant change in the price of emission allowances;

(i) A significant change in the electrical corporation's load forecast;

(j) A significant change in capital market conditions;

(k) A significant change in the scope or effective dates of environmental regulations; or

(l) A significant change in federal or state environmental laws.

(2) If the electrical corporation determines that one or more major factor or circumstance has changed in a manner that warrants a change in the approved ratemaking principles and treatment, then it shall file a notice in the docket in which the approved ratemaking principles and treatment were established within forty-five days of any such determination. In its notification, the electrical corporation shall:

(a) Explain and specify the changes it contends are appropriate to the ratemaking principles and treatment and the reasons for the proposed changes;

(b) Provide a description of the alternatives that it evaluated and the process that it went through in developing its proposed changes; and

(c) Provide detailed workpapers that support the evaluation and the process whereby proposed changes were developed.

(3) If a party has concerns regarding the proposed changes, that party shall file a notice of its concerns within thirty days of the electrical corporation's filing. If the parties agree on a resolution of the concerns, the agreement shall be submitted to the commission for approval. If the parties do not reach agreement on changes to the ratemaking principles and treatment within ninety days of the date the electrical corporation filed its notice, whether the previously approved ratemaking and treatment will be changed shall be determined by the commission. If a party to the docket in which the approved ratemaking principles and treatment were approved believes that one or more major factor or circumstance has changed in a manner that warrants a change in the approved ratemaking principles and treatment and if the electrical corporation does not agree the principles and treatment should be changed, such party shall file a notice in the docket in which the approved ratemaking principles and treatment were established within forty-five days of any such determination. In its notification, such party shall:

(a) Explain and specify the changes it contends are appropriate to the ratemaking principles and treatment and the reasons for the proposed changes;

(b) Provide a description of the alternatives that it evaluated and the process that it went through in developing its proposed changes; and

(c) Provide detailed workpapers that support the evaluation and the process whereby proposed changes were developed.

(4) If a party, including the electrical corporation, has concerns regarding the proposed changes, that party shall file a notice of its concerns within thirty days of the other party's filing. If the parties do not reach agreement on changes to the ratemaking principles and treatment within ninety days of the date the notice was filed, whether the previously approved ratemaking and treatment will be changed shall be determined by the commission.

5. A determination of ratemaking principles and treatment under this section does not preclude an electrical corporation from also petitioning the commission under either or both of sections 393.1700 and 393.1705, provided that any costs to which such ratemaking principles and treatment would have applied in the electrical corporation's general rate proceedings which become funded by securitized utility tariff bond proceeds from a securitized utility tariff bond issued under section 393.1700 shall not thereafter be reflected in the electrical corporation's base rates.

6. If determined by the commission to be just, reasonable, and necessary for the provision of safe and adequate service, the electrical corporation may be permitted to retain coal-fired generating assets in rate base and recover costs associated with operating the coal-fired assets **[**that remain in service to provide greater certainty that generating capacity will be available to provide essential service to customers, including during extreme weather events, and the commission shall not disallow any portion of such cost recovery on the basis that such coal-fired generating assets operate at a low capacity factor, or are offline and providing capacity only, during normal operating conditions**] at low capacity factor or that are offline and providing capacity only in order to remain in service to customers for reliability during events such as extreme weather**.

7. The commission may promulgate rules necessary to implement the provisions of sections 393.1700 to 393.1715. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

Senator Schupp moved that the above amendment be adopted.

Senator Bernskoetter assumed the Chair.

At the request of Senator Cierpiot, **SB 745**, with **SCS**, **SS** for **SCS**, and **SA 2** (pending), was placed on the Informal Calendar.

Senator Burlison moved that **SB 820** be taken up for perfection, which motion prevailed.

Senator May offered **SA 1**, which was read:

386.890. 1. This section shall be known and may be cited as the "Net Metering and Easy Connection Act".

2. As used in this section, the following terms shall mean:

(1) "Avoided fuel cost", the current average cost of fuel for the entity generating electricity, as defined by the governing body with jurisdiction over any municipal electric utility, rural electric cooperative as provided in chapter 394, or electrical corporation as provided in this chapter;

(2) "Commission", the public service commission of the state of Missouri;

(3) "Customer-generator", the owner or operator of a qualified electric energy generation unit which:

(a) Is powered by a renewable energy resource;

(b) Has an electrical generating system with a capacity of not more than one hundred kilowatts;

(c) Is located on a premises owned, operated, leased, or otherwise controlled by the customer-generator;

(d) Is interconnected and operates in parallel phase and synchronization with a retail electric supplier and has been approved by said retail electric supplier;

(e) Is intended primarily to offset part or all of the customer-generator's own electrical energy requirements;

(f) Meets all applicable safety, performance, interconnection, and reliability standards established by the National Electrical Code, the National Electrical Safety Code, the Institute of Electrical and Electronics Engineers, Underwriters Laboratories, the Federal Energy Regulatory Commission, and any local governing

authorities; and

(g) Contains a mechanism that automatically disables the unit and interrupts the flow of electricity back onto the supplier's electricity lines in the event that service to the customer-generator is interrupted;

(4) "Department", the department of **[**economic development**]** **natural resources**;

(5) "Net metering", using metering equipment sufficient to measure the difference between the electrical energy supplied to a customer-generator by a retail electric supplier and the electrical energy supplied by the customer-generator to the retail electric supplier over the applicable billing period;

(6) "Renewable energy resources", electrical energy produced from wind, solar thermal sources, hydroelectric sources, photovoltaic cells and panels, fuel cells using hydrogen produced by one of the above-named electrical energy sources, and other sources of energy that become available after August 28, 2007, and are certified as renewable by the department;

(7) "Retail electric supplier" or "supplier", any **[**municipal**]** **municipally owned electric** utility **operating under chapter 91**, electrical corporation regulated **by the commission** under this chapter, or rural electric cooperative **operating** under chapter 394 that provides retail electric service in this state. **An electrical corporation that operates under a cooperative business plan as described in subsection 2 of section 393.110 shall be deemed to be a rural electric cooperative for purposes of this section.**

3. A retail electric supplier shall:

(1) Make net metering available to customer-generators on a first-come, first-served basis until the total rated generating capacity of net metering systems equals five percent of the **[**utility's**]** **retail electric supplier's** single-hour peak load during the previous year, after which the commission for **[**a public utility**]** **an electrical corporation** or the **respective** governing body **[**for**]** **of** other **[**electric utilities**]** **retail electric suppliers** may increase the total rated generating capacity of net metering systems to an amount above five percent. However, in a given calendar year, no retail electric supplier shall be required to approve any application for interconnection if the total rated generating capacity of all applications for interconnection already approved to date by said supplier in said calendar year equals or exceeds one percent of said supplier's single-hour peak load for the previous calendar year;

(2) Offer to the customer-generator a tariff or contract that is identical in electrical energy rates, rate structure, and monthly charges to the contract or tariff that the customer would be assigned if the customer were not an eligible customer-generator but shall not charge the customer-generator any additional standby, capacity, interconnection, or other fee or charge that would not otherwise be charged if the customer were not an eligible customer-generator; and

(3) Disclose annually the availability of the net metering program to each of its customers with the method and manner of disclosure being at the discretion of the supplier.

4. A customer-generator's facility shall be equipped with sufficient metering equipment that can measure the net amount of electrical energy produced or consumed by the customer-generator. If the customer-generator's existing meter equipment does not meet these requirements or if it is necessary for the **retail** electric supplier to install additional distribution equipment to accommodate the customer-generator's facility, the customer-generator shall reimburse the retail electric supplier for the costs to purchase and install the necessary additional equipment. At the request of the customer-generator, such costs may be initially paid for by the retail electric supplier, and any amount up to the total costs and a reasonable

interest charge may be recovered from the customer-generator over the course of up to twelve billing cycles. Any subsequent meter testing, maintenance or meter equipment change necessitated by the customer-generator shall be paid for by the customer-generator.

5. Consistent with the provisions in this section, the net electrical energy measurement shall be calculated in the following manner:

(1) For a customer-generator, a retail electric supplier shall measure the net electrical energy produced or consumed during the billing period in accordance with normal metering practices for customers in the same rate class, either by employing a single, bidirectional meter that measures the amount of electrical energy produced and consumed, or by employing multiple meters that separately measure the customer-generator's consumption and production of electricity;

(2) If the electricity supplied by the supplier exceeds the electricity generated by the customer-generator during a billing period, the customer-generator shall be billed for the net electricity supplied by the supplier in accordance with normal practices for customers in the same rate class;

(3) If the electricity generated by the customer-generator exceeds the electricity supplied by the supplier during a billing period, the customer-generator shall be billed for the appropriate customer charges for that billing period in accordance with subsection 3 of this section and shall be credited an amount at least equal to the avoided fuel cost of the excess kilowatt-hours generated during the billing period, with this credit applied to the following billing period;

(4) Any credits granted by this subsection shall expire without any compensation at the earlier of either twelve months after their issuance or when the customer-generator disconnects service or terminates the net metering relationship with the supplier;

(5) For any rural electric cooperative under chapter 394, or **[**municipal**]** **any municipally owned** utility, upon agreement of the wholesale generator supplying electric energy to the retail electric supplier, at the option of the retail electric supplier, the credit to the customer-generator may be provided by the wholesale generator.

6. (1) Each qualified electric energy generation unit used by a customer-generator shall meet all applicable safety, performance, interconnection, and reliability standards established by any local code authorities, the National Electrical Code, the National Electrical Safety Code, the Institute of Electrical and Electronics Engineers, and Underwriters Laboratories for distributed generation. No supplier shall impose any fee, charge, or other requirement not specifically authorized by this section or the rules promulgated under subsection 9 of this section unless the fee, charge, or other requirement would apply to similarly situated customers who are not customer-generators, except that a retail electric supplier may require that a customer-generator's system contain a switch, circuit breaker, fuse, or other easily accessible device or feature located in immediate proximity to the customer-generator's metering equipment that would allow a utility worker the ability to manually and instantly disconnect the unit from the utility's electric distribution system.

(2) For systems of ten kilowatts or less, a customer-generator whose system meets the standards and rules under subdivision (1) of this subsection shall not be required to install additional controls, perform or pay for additional tests or distribution equipment, or purchase additional liability insurance beyond what is required under subdivision (1) of this subsection and subsection 4 of this section.

(3) For customer-generator systems of greater than ten kilowatts, the commission for **[**public utilities**]**

electrical corporations and the **respective** governing body for other **[**utilities**]** **retail electric suppliers** shall, by rule or equivalent formal action by each respective governing body:

(a) Set forth safety, performance, and reliability standards and requirements; and

(b) Establish the qualifications for exemption from a requirement to install additional controls, perform or pay for additional tests or distribution equipment, or purchase additional liability insurance.

7. (1) Applications by a customer-generator for interconnection of a qualified electric energy generation unit meeting the requirements of subdivision (3) of subsection 2 of this section to the distribution system shall be accompanied by the plan for the customer-generator's electrical generating system, including but not limited to a wiring diagram and specifications for the generating unit, and shall be reviewed and responded to by the retail electric supplier within thirty days of receipt for systems ten kilowatts or less and within ninety days of receipt for all other systems. Prior to the interconnection of the qualified generation unit to the supplier's system, the customer-generator will furnish the retail electric supplier a certification from a qualified professional electrician or engineer that the installation meets the requirements of subdivision (1) of subsection 6 of this section. If the application for interconnection is approved by the retail electric supplier and the customer-generator does not complete the interconnection within one year after receipt of notice of the approval, the approval shall expire and the customer-generator shall be responsible for filing a new application.

(2) Upon the change in ownership of a qualified electric energy generation unit, the new customer-generator shall be responsible for filing a new application under subdivision (1) of this subsection.

8. Each **[**commission-regulated supplier**]** **electrical corporation** shall submit an annual net metering report to the commission, and all other **[**nonregulated**]** **retail electric** suppliers shall submit the same report to their respective governing body and make said report available to a consumer of the supplier upon request, including the following information for the previous calendar year:

(1) The total number of customer-generator facilities;

(2) The total estimated generating capacity of its net-metered customer-generators; and

(3) The total estimated net kilowatt-hours received from customer-generators.

9. The commission shall, within nine months of January 1, 2008, promulgate initial rules necessary for the administration of this section for **[**public utilities**]** **electrical corporations**, which shall include regulations ensuring that simple contracts will be used for interconnection and net metering. For systems of ten kilowatts or less, the application process shall use an all-in-one document that includes a simple interconnection request, simple procedures, and a brief set of terms and conditions. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

10. The governing body of a rural electric cooperative or municipal utility shall, within nine months of January 1, 2008, adopt policies establishing a simple contract to be used for interconnection and net metering. For systems of ten kilowatts or less, the application process shall use an all-in-one document that

includes a simple interconnection request, simple procedures, and a brief set of terms and conditions.

11. For any cause of action relating to any damages to property or person caused by the **qualified electric energy** generation unit of a customer-generator or the interconnection thereof, the retail electric supplier shall have no liability absent clear and convincing evidence of fault on the part of the supplier.

12. The estimated generating capacity of all net metering systems operating under the provisions of this section shall count towards the respective retail electric supplier's accomplishment of any renewable energy portfolio target or mandate adopted by the Missouri general assembly.

13. The sale of qualified electric **energy** generation units to any customer-generator shall be subject to the provisions of sections **407.010 to 407.145 and sections** 407.700 to 407.720. The attorney general shall have the authority to promulgate in accordance with the provisions of chapter 536 rules regarding mandatory disclosures of information by sellers of qualified electric **energy** generation units. Any interested person who believes that the seller of any **qualified** electric **energy** generation unit is misrepresenting the safety or performance standards of any such systems, or who believes that any electric **energy** generation unit poses a danger to any property or person, may report the same to the attorney general, who shall be authorized to investigate such claims and take any necessary and appropriate actions.

14. Any costs incurred under this act by a retail electric supplier shall be recoverable in that utility's rate structure.

15. No consumer shall connect or operate **[**an**]** **a qualified** electric **energy** generation unit in parallel phase and synchronization with any retail electric supplier without written approval by said supplier that all of the requirements under subdivision (1) of subsection 7 of this section have been met. For a consumer who violates this provision, a supplier may immediately and without notice disconnect the electric facilities of said consumer and terminate said consumer's electric service.

16. The manufacturer of any **qualified** electric **energy** generation unit used by a customer-generator may be held liable for any damages to property or person caused by a defect in the **qualified** electric **energy** generation unit of a customer-generator.

17. The seller, installer, or manufacturer of any **qualified** electric **energy** generation unit who knowingly misrepresents the safety aspects of **[**an**]** **a qualified** electric generation unit may be held liable for any damages to property or person caused by the **qualified** electric **energy** generation unit of a customer-generator."; and

Further amend the title and enacting clause accordingly.

Journal of the Senate

SECOND REGULAR SESSION

THIRTY-FIRST DAY—TUESDAY, MARCH 8, 2022

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"I have not hidden Your saving help within my heart, I have spoken of Your faithfulness and Your salvation; I have not concealed Your steadfast love and Your faithfulness from the great congregation." (Psalm 40:10)

Heavenly Father, we breathe a sigh of relief just thinking about Your mercy toward us. Help us remember that we are recipients of Your generous forgiveness and therefore we should be quick to forgive others. We ask, O Lord, that You might calm our hearts with Your grace. And open our hearts to remove any hatred or resentment towards others that may exist in us. In Your Holy Name we pray. Amen.

The Joint Committee appointed to wait upon the Chief Justice of the Supreme Court, Paul C. Wilson, escorted the Chief Justice to the dais where he delivered the State of the Judiciary Address to the Joint Assembly:

2022 STATE OF THE JUDICIARY

Missouri Chief Justice Paul C. Wilson

Introduction

Speaker Vescovo, Lieutenant Governor Kehoe, President Pro Tem Schatz, members of the 101st General Assembly, statewide office holders, cabinet members and other executive branch officials: thank you for this opportunity to speak to you this morning.

The concept of separation of powers is one of our Constitutional cornerstones, but it can be misleading. Separate does not mean adversarial, and it never has. In truth, our constitution demands just the opposite. Despite the different roles we play in our system of checks and balances, all three branches must continually communicate and cooperate if we are to serve the constitution and the people well.

Obviously, my address this morning is largely ceremonial, but that does *not* mean it doesn't matter. I think it's important for the people of our great state to see us gathered on occasions like this – together – demonstrating the cooperation that goes on, not just on this day, but throughout the year. For that reason, and in that spirit, I deeply appreciate your willingness to listen to what I have to say.

There are somewhere north of 200 of us in this room, and we all asked to be here. No one made us take the path of civil service that brought us here. Every one of us is a volunteer, and we worked hard to have the chance to serve this state and its people. Others can rail against "the government" as if it were some nameless, faceless entity, but we in this room know better. You, me, and the nearly 50,000 other public servants who live and work in virtually every community in this state, we *are* the government. Government is people and, for today's purposes, it's us.

I was born and raised here in Jefferson City, and maybe that's why this idea is so important to me and so ingrained in who I am. The legislature wasn't just some headline to me. Instead, it was my neighbor and childhood idol Jim Strong, who served in this chamber and then in the Senate down the hall. The legislature *was* my Uncle Jim – and all those he would introduce me to on the many afternoons I came to watch him in this building.

Most of the kids I grew up with had parents who worked in government, at all levels. My dad served many years as a judge in the municipal and associate circuit courts. My mom worked in public health for nearly 50 years, starting as a school nurse and ending up as a division director in the department of health in the Ashcroft administration.

When you grow up here in Jefferson City, even statewide office holders are just people, as I learned one cold winter's day 50-some years ago when I accidentally knocked Jack Danforth off his feet at the skating rink. My Dad helped him, and me, up, and then said to me: "You know who that is, don't you!?!" Well, of course, I didn't … but I quickly learned and, Senator, if you're listening, please accept this very overdue

apology!

My father is no longer around to pick me up when I make a mistake, but my wife Laura is. She's the love of my life for more than 30 years, and she's with us in the gallery today. Please make her feel welcome.

The point is, I grew up believing that government *is* people – well-meaning, hardworking people – and I believe that still today. I promise you it's no less true of me or my colleagues than it is of you or yours. We all have different jobs, and we serve in different ways, but we are united in the spirit and goal of service. This unity of purpose brings us together this morning so the people of this state can see us – gathered in *their* name – to discuss *their* business … together.

So, let's get down to business ….

Court employees

The state of the judicial branch is sound. Last year, despite all its challenges, more than 750,000 circuit court cases were resolved. While the pandemic impacted our backlog, its effect was not as big or as widespread as some feared, and we are working to clear it.

And, when I say we, I mean them – the 350 trial judges, and the more-than-3,000 court clerks, bailiffs, court reporters, juvenile officers, juvenile detention officers, and all the other staff who *really* make up the judicial branch. It's not the seven of us – it's all of them and the work they do. We know it, they know it, and I want all of you to know it too.

They are the ones who kept the courts open through the pandemic. They are the ones who work to help keep Missouri kids safe. Who collect and disperse more than $100 million dollars every year. Who schedule every court hearing and help people know when and where they're supposed to be.

Our people are your people, your constituents, your friends and neighbors, and they live and work in every corner of this state. They are the face and beating heart of your judicial system. The work they do is incredibly important and often incredibly difficult, and I would ask you to help me recognize them now.

On their behalf, I thank you for the cost-of-living increases you have been able to give in recent years and, especially, the one you approved just a few days ago. That kind of increase is important to our employees, not merely in terms of buying power, but because it demonstrates that you in this chamber know who they are. You *see* them, and you proudly recognize the work they do.

But there is more we can, and need, to do. Like the rest of government, we struggle to retain experienced workers and recruit new employees to careers in the courts. All too often, we spend precious tax dollars recruiting and training people, giving them the skills and experience we need them to have, only to see them move to better-paying, private-sector jobs after our training is complete. A market-based approach to compensation will give us a fighting chance to attract and keep expert staff in our courtrooms and courthouses. Those folks want to serve, just as all of us do, and competitive compensation will allow them to do that. By continuing to work with you, we can find a common-sense, long-term solution to this problem.

Judges

I urge each of you to reach out to your local judges. Spend some time in your local courthouses. Talk with your local court staff, and see what's happening there. Decide for yourselves how busy Missouri's courts are, how fair they are, and how well we serve the laws you write and the constitutional principles every one of us has sworn to protect. My hope is you'll see ways we can work together to improve our justice system.

One reason I ask you to do this is because so many of our judges are new. In the last four years alone, 40 percent of all the trial and appellate judges have been new to their positions. Some of those changes came as the result of local elections, but more than three-fourths of the new judges over these last four years – including 109 trial judges and 13 appellate judges – were appointed by the governor either under article IV, section 4, or under our constitution's nonpartisan court plan.

One of these recent appointees is Judge Robin Ransom, the newest member of the Supreme Court. She is a native of St. Louis. She worked as a public defender, a prosecutor, a family court staff attorney, a court commissioner and then a circuit judge. In 2019, Governor Parson elevated her to the Court of Appeals and then, last May, appointed her to the Supreme Court. She is not only the owner/operator of the most infectious smile you've ever seen, but she also just might be the best bowler in this room! We could not be more thrilled to work with her. Please join me in recognizing our newest judge.

Court security

With the judicial branch working in more than 120 courthouses around the state, security – for citizens, lawyers, judges and other court personnel – has always been a priority.

Thankfully, security *in* our courthouses has come a long way since 1992, when a man shot four people in a St. Louis County courtroom and then executed his wife on the witness stand. But security risks continue, they're on the rise, and they are no longer just inside the courthouse.

Those of us in public service are increasingly vulnerable. As public servants, we know we are not – and should not be – immune from public scrutiny and criticism … it comes with the job. But none of us – or our families – should be put in harm's way.

In 2005, a judge's husband and mother were murdered in Illinois. In 2015, a judge survived an assassination attempt outside her home in Texas. And, in 2020, a New Jersey judge's husband was shot and her son killed in an attack meant for her. All three states responded with laws aimed at protecting the private personal information of judges and their families, but those laws came too late to prevent those tragedies. We owe it to those who serve in Missouri's judiciary not to learn – in the worst possible way – that we, too, did too little, too late.

Missouri judges have been harassed online and at home, they've been threatened, and they've had their personal information posted on the web. Eleven states have already passed laws enhancing safety for judges, and more are considering such legislation now. We appreciate Representative DeGroot's efforts in this area and believe that legislative protections for Missouri's judges, together with the governor's budget recommendations you're now considering, are a good start – and we look forward to working with you on this issue as well.

Court technology

Online services are revolutionizing the courts just as they are the rest of government. This was true before COVID, and the last two years have greatly accelerated this trend. When conditions limited the number and types of hearings that could be held in person, we held thousands of hearings online, in virtual courtrooms. This approach made it possible to keep the work of the judiciary moving, and it was well received by those the courts are here to serve. Data from around the country shows that virtual proceedings not only make courts more efficient, but they also increase access to justice for many.

But this demand for increased online services highlights how much more difficult it is for some to make use of those services than others. There can be no doubt the "digital divide" is real. And it can be caused as much by geography as by poverty. Courts, whether virtual or in person, must be equally open and accessible for *all* Missourians, regardless of who you are or where you live.

This is why we're excited by Governor Parson's recommendations for broadband expansion around the state. Increased bandwidth, especially for our rural courthouses and the communities they serve, will help us better utilize online services to increase efficiency *and* access, making your courts more user-friendly for everyone.

Treatment courts

Those logistical issues – compensation, security, and infrastructure – are important, but only because they make it possible for the judicial branch to fulfill the role assigned to us. I want to turn now to some of the more creative work going on in our courts, work that presents continued opportunities for cooperation among our three branches.

One recurring theme in State of the Judiciary addresses over the past 20 years has been drug courts. They have been one of the greatest collaborative successes showing what is possible when the three branches work together with creativity and a commitment to serving Missourians better.

By identifying appropriate offenders and diverting them from prison to treatment, we – together – found a better way to serve not only those individuals, but also their families and society as a whole. This approach is cost effective, to be sure, but more importantly, it's fair … and just. These programs stand as proof that our justice system often does better when it responds to the whole person and not merely to their conduct. This was true more than a century ago when legislation created the very first diversion court, which we now call juvenile courts, and it remains true today.

Veterans courts

But there is another diversion court, another form of treatment court, that I believe needs the same sort of sustained cooperation and commitment that – together – we have given drug courts and juvenile courts in this state. I'm talking about veterans courts.

As home to Fort Leonard Wood, Whiteman Air Force Base, and many other installations, Missouri is proud to host some of the most elite fighting men and women in the world. But we are equally proud when service members choose to make Missouri their home after they leave active duty. As Governor Parson noted in his State of the State address, Missouri ranks ninth in the nation as home for our retired military.

Sadly, however, the burdens of military service do not magically disappear the moment a veteran leaves active duty. For some, those burdens can lead to mental health struggles that manifest themselves in substance abuse and conduct that, unfortunately, can land them in our justice system.

Then, our choice is clear. We can view those veterans solely in terms of their *conduct*, or we can look at the *context* from which their conduct arises and see whether treatment and other forms of support can produce a better outcome, both for the veterans and for all of us they have served.

Make no mistake: Missouri veterans courts work. We now have 15 programs serving 40 counties and, in the past five years alone, they've graduated more than 360 former service men and women. One reason these programs work so well is the role that volunteer veterans and active-duty soldiers play as mentors. No one can help a veteran like someone who's walked a mile – and probably a thousand miles – in their combat boots. Missouri veterans courts have demonstrated the kind of success we've come to expect from drug courts and other treatment courts … and now it's time we do more.

Today, veterans courts serve only a third of our local jurisdictions, largely clustered around VA hospitals and clinics. Outside of those areas, however, resources are scarce. The simple truth is that veterans who need help throughout most of Missouri will not have access to a veterans court should they find themselves on the wrong side of the law. We can work together to fix this, and I hope you will agree we owe it to these men and women as the very least we can do to honor the sacrifices they've made.

Cooperative solutions

And there are other examples where our three branches have communicated and cooperated to better serve Missouri and her people:

- The Justice Reinvestment Initiative led by the department of corrections;
- the Partnership for Child Safety and Well-Being, where we work together with the children's division, youth services, and the department of mental health;
- and the initiative we call Leading Change in Criminal Justice, which helps local stakeholders better coordinate services for individuals with co-occurring mental health challenges and substance use disorders.

And the list goes on and on and on. Leaders from across government … people working together to empower local solutions. Are you sensing a winning formula? I hope so.

So, I am happy to report that the State of the Judiciary is sound, and the future is bright. While I've mentioned a few of the ways we *can* work – and *have* worked – together, the opportunities for cooperation are limited only by our creativity and our courage.

Conclusion

Missouri has always had her share of challenges. For example, as you all know, fire destroyed the state Capitol in 1911. But, as Missourians always do, we rebuilt, and this magnificent building was the result.

Yet the beauty of the design and the quality of the work that went into this building were *not* a celebration of what Missouri *was*, or a salute to leaders who *already* served. Instead, I believe this building – and, in particular, this chamber, The People's Chamber – was designed and built as a monument to what Missouri *can* be, and as a challenge to all those who would seek to lead in the future.

The commission overseeing the new Capitol project identified 14 qualities – characteristics the people of Missouri should aspire to embody. But I think it's instructive that – of *all* the places around the Capitol that the commission might have chosen to display these qualities – they chose here. Those 14 traits are literally carved into the walls of this chamber. They have stood here for more than a century as a silent challenge to all those who sought to lead.

Even now, today, they challenge you and me to find these virtues in ourselves and in each other.

To find Honor and Truth and Charity,

To find Justice and Equality and Liberty,

and all the rest.

To find them within ourselves *and* in each other – and to let those virtues guide the work we've volunteered to do.

And yet, as I look at these virtues, I can't help but notice the one that *isn't* there. Courage. Maya Angelou, a native of St. Louis and one of America's greatest poets, once said:

> Courage is the most important of all the virtues, because without courage you can't practice any other virtue consistently. You can practice any virtue erratically, but nothing consistently without courage.

You see, it takes courage to lead; to make the decision you know is right but may not be popular; to listen and cooperate and compromise; to build a future for everyone and not merely those who look and sound like us. There is no tomorrow for *any* of us that is not the tomorrow for *all* of us, and that future will only be as bright as we make it.

So, will those of us who have gathered in this chamber today have what it takes to practice these virtues?

To practice Justice and Truth … Liberty and Honor … Equality and Charity ... and all the rest?

And will we have the Courage needed to practice them consistently?

With God's help and blessings, I believe we will.

Thank you.

2. **Except as otherwise provided by law,** neither the fact that subsequent to the date of verification or conviction, the owner acquired the required liability insurance policy nor the fact that the owner terminated ownership of the motor vehicle, shall have any bearing upon the director's decision to suspend. Until it is terminated, the suspension shall remain in force after the registration is renewed or a new registration is acquired for the motor vehicle. The suspension also shall apply to any motor vehicle to which the owner transfers the registration. Effective January 1, 2000, the department shall not extend any suspension for failure to pay a delinquent late surrender fee pursuant to this subsection.

Where sections 303.420 to 303.440 authorize the department of revenue to enter into contracts with a third-party vendor or the Missouri office of prosecution services at its option, the department of revenue shall contract with the Missouri office of prosecution services unless the Missouri office of prosecution services declines to enter into the contract.

(2) The department of revenue or a third-party vendor shall utilize technology to compare vehicle

registration information with the financial responsibility information accessible through the system. The department of revenue shall utilize this information to identify motorists who are in violation of the motor vehicle financial responsibility law. The department of revenue may offer offenders under this program the option of pretrial diversion as an alternative to statutory fines or reinstatement fees prescribed under the motor vehicle financial responsibility law as a method of encouraging compliance and discouraging recidivism.

(3) All fees paid to or collected by third-party vendors or the Missouri office of prosecution services under sections 303.420 to 303.440 may come from violator diversion fees generated by the pretrial diversion option established under this section. A contractual agreement between the department of revenue and the Missouri office of prosecution services under sections 303.420 to 303.440 may provide for retention by the Missouri office of prosecution services of part or all of the violator diversion fees as consideration for the contract.

2. The department of revenue may authorize law enforcement agencies or third-party vendors to use technology to collect data for the investigation, detection, analysis, and enforcement of the motor vehicle financial responsibility law.

3. The department of revenue may authorize traffic enforcement officers, third-party vendors, or the Missouri office of prosecution services to administer the processing and issuance of notices of violation, the collection of fees for a violation of the motor vehicle financial responsibility law, or the referral of cases for prosecution, under the program.

4. Access to the system shall be restricted to authorized law enforcement agency users in the program, the department of revenue, and the third-party vendors with which the department of revenue contracts for purposes of the program, provided that any third-party vendor with which a contract is executed to provide necessary technology, equipment, or maintenance for the program shall be authorized as necessary to collaborate for required updates and maintenance of system software.

5. For purposes of the program, any data collected and matched to a corresponding vehicle insurance record as verified through the system, and any Missouri vehicle registration database, may be used to identify violations of the motor vehicle financial responsibility law. Such images and corresponding data shall constitute evidence of the violations.

6. Except as otherwise provided in this section, the department of revenue shall suspend, in accordance with section 303.041, the registration of any motor vehicle that is determined under the program to be in violation of the motor vehicle financial responsibility law.

7. The department of revenue shall send to an owner whose vehicle is identified under the program as being in violation of the motor vehicle financial responsibility law a notice that the vehicle's registration may be suspended unless the owner, within thirty days, provides proof of financial responsibility for the vehicle or proof, in a form specified by the department of revenue, that the owner has a pending criminal charge for a violation of the motor vehicle financial responsibility law. The notice shall include information on steps an individual may take to obtain proof of financial responsibility and a web address to a page on the department of revenue's website where information on obtaining proof of financial responsibility shall be provided. If proof of financial responsibility or a pending criminal charge is not provided within the time allotted, the department of revenue shall

provide a notice of suspension and suspend the vehicle's registration in accordance with section 303.041, or shall send a notice of vehicle registration suspension, clearly specifying the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the vehicle owner to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made, as well as informing the owner that the matter will be referred for prosecution if a satisfactory response is not received in the time allotted, informing the owner that the minimum penalty for the violation is three hundred dollars and four license points, and offering the owner participation in a pretrial diversion option to preclude referral for prosecution and registration suspension under sections 303.420 to 303.440. The notice of vehicle registration suspension shall give a period of thirty-three days from mailing for the vehicle owner to respond, and shall be deemed received three days after mailing. If no request for a hearing or agreement to participate in the diversion option is received by the department of revenue prior to the date provided on the notice of vehicle registration suspension, the director shall suspend the vehicle's registration, effective immediately, and refer the case to the appropriate prosecuting attorney. If an agreement by the vehicle owner to participate in the diversion option is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then upon payment of a diversion participation fee not to exceed two hundred dollars, agreement to secure proof of financial responsibility within the time provided on the notice of suspension, and agreement that such financial responsibility shall be maintained for a minimum of two years, no points shall be assessed to the vehicle owner's driver's license under section 302.302 and the department of revenue shall not take further action against the vehicle owner under sections 303.420 to 303.440, subject to compliance with the terms of the pretrial diversion option. The department of revenue shall suspend the vehicle registration of, and shall refer the case to the appropriate prosecuting attorney for prosecution of, participating vehicle owners who violate the terms of the pretrial diversion option. If a request for hearing is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then for all purposes other than eligibility for participation in the diversion option, the effective date of the suspension shall be stayed until a final order is issued following the hearing. The department of revenue shall suspend the registration of vehicles determined under the final order to have violated the motor vehicle financial responsibility law, and shall refer the case to the appropriate prosecuting attorney for prosecution. Notices under this subsection shall be mailed to the vehicle owner at the last known address shown on the department of revenue's records. The department of revenue or its third-party vendor or the Missouri office of prosecution services shall issue receipts for the collection of diversion participation fees. Except as otherwise provided in subsection 1 of this section, all such fees shall be deposited into the motor vehicle financial responsibility verification and enforcement fund established in section 303.422. A vehicle owner whose registration has been suspended under sections 303.420 to 303.440 may obtain reinstatement of the registration upon providing proof of financial responsibility and payment to the department of revenue of a nonrefundable reinstatement fee equal to the fee that would be applicable under subsection 2 of section 303.042 if the registration had been suspended under section 303.041.

8. Data collected or retained under the program shall not be used by any entity for purposes other than enforcement of the motor vehicle financial responsibility law. Data collected and stored by law enforcement under the program shall be considered evidence if noncompliance with the motor vehicle financial responsibility law is confirmed. The evidence, and an affidavit stating that the evidence and system have identified a particular vehicle as being in violation of the motor vehicle financial

responsibility law, shall constitute probable cause for prosecution and shall be forwarded in accordance with subsection 7 of this section to the appropriate prosecuting attorney.

9. Owners of vehicles identified under the program as being in violation of the motor vehicle financial responsibility law shall be provided with options for disputing such claims which do not require appearance at any state or local court of law, or administrative facility. Any person who presents timely proof that he or she was in compliance with the motor vehicle financial responsibility law at the time of the alleged violation shall be entitled to dismissal of the charge with no assessment of fees or fines. Proof provided by a vehicle owner to the department of revenue that the vehicle was in compliance at the time of the suspected violation of the motor vehicle financial responsibility law shall be recorded in the system established by the department of revenue under section 303.430.

10. The collection of data or use of any technology pursuant to this section shall be done in a manner that prohibits any bias towards a specific community, race, gender, or socioeconomic status of vehicle owner.

11. Law enforcement agencies, third-party vendors, or other entities authorized to operate under the program shall not sell data collected or retained under the program for any purpose or share it for any purpose not expressly authorized in this section. All data shall be secured and any third-party vendor or other entity authorized to operate under the program may be liable for any data security breach.

12. The department of revenue shall not take action under sections 303.420 to 303.440 against vehicles registered as fleet vehicles under section 301.032, or against vehicles known to the department of revenue to be insured under a policy of commercial auto coverage, as such term is defined in subdivision (10) of subsection 2 of section 303.430.

13. Following one year after the implementation of the program, and every year thereafter, the department of revenue shall provide a report to the president pro tempore of the senate, the speaker of the house of representatives, the chairs of the house and senate committees with jurisdictions over insurance or transportation matters, and the chairs of the house budget and senate appropriations committees. The report shall include an evaluation of program operations, information as to the costs of the program incurred by the department of revenue, insurers, and the public, information as to the effectiveness of the program in reducing the number of uninsured motor vehicles, and anonymized demographic information including the race and zip code of vehicle owners identified under the program as being in violation of the motor vehicle financial responsibility law, and may include any additional information and recommendations for improvement of the program deemed appropriate by the department of revenue. The department of revenue may, by rule, require the state, counties, and municipalities to provide information in order to complete the report.

14. The Missouri office of prosecution services in consultation with the department of revenue may promulgate rules as necessary for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking

authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

303.430. 1. The department of revenue shall establish and maintain a web-based system for the verification of motor vehicle financial responsibility, shall provide access to insurance reporting data and vehicle registration and financial responsibility data, and shall require motor vehicle insurers to establish functionality for the verification system, as provided in sections 303.420 to 303.440. The verification system, including any exceptions as provided for in sections 303.420 to 303.440 or in the implementation guide developed to support the program, shall supersede any existing verification system, and shall be the sole system used for the purpose of verifying financial responsibility required under this chapter.

2. The system established pursuant to subsection 1 of this section shall be subject to the following:

(1) The verification system shall transmit requests to insurers for verification of motor vehicle insurance coverage via web services established by the insurers through the internet in compliance with the specifications and standards of the Insurance Industry Committee on Motor Vehicle Administration, or "IICMVA". Insurance company systems shall respond to each request with a prescribed response upon evaluation of the data provided in the request. The system shall include appropriate protections to secure its data against unauthorized access, and the department of revenue shall maintain a historical record of the system data for a period of no more than twelve months from the date of all requests and responses. The system shall be used for verification of the financial responsibility required under this chapter. The system shall be accessible to authorized personnel of the department of revenue, the courts, law enforcement personnel, and other entities authorized by the state as permitted by state or federal privacy laws, and it shall be interfaced, wherever appropriate, with existing state systems. The system shall include information enabling the department of revenue to submit inquiries to insurers regarding motor vehicle insurance which are consistent with insurance industry and IICMVA recommendations, specifications, and standards by using the following data elements for greater matching accuracy: insurer National Association of Insurance Commissioners, or "NAIC", company code; vehicle identification number; policy number; verification date; or as otherwise described in the specifications and standards of the IICMVA. The department of revenue shall promulgate rules to offer insurers who insure one thousand or fewer vehicles within this state an alternative method for verifying motor vehicle insurance coverage in lieu of web services, and to provide for the verification of financial responsibility when financial responsibility is proven to the department to be maintained by means other than a policy of motor vehicle insurance. Insurers shall not be required to verify insurance coverage for vehicles registered in other jurisdictions;

(2) The verification system shall respond to each request within a time period established by the department of revenue. An insurer's system shall respond within the time period prescribed by the IICMVA's specifications and standards. Insurer systems shall be permitted reasonable system downtime for maintenance and other work with advance notice to the department of revenue. Insurers shall not be subject to enforcement fees or other sanctions under such circumstances, or when systems are not available because of emergency, outside attack, or other unexpected outages not planned by the insurer and reasonably outside its control;

(3) The system shall assist in identifying violations of the motor vehicle financial responsibility law in the most effective way possible. Responses to individual insurance verification requests shall have

no bearing on whether insurance coverage is determined to be in force at the time of a claim. Claims shall be individually investigated to determine the existence of coverage. Nothing in sections 303.420 to 303.440 shall prohibit the department of revenue from contracting with a third-party vendor or vendors who have successfully implemented similar systems in other states to assist in establishing and maintaining this verification system;

(4) The department of revenue shall consult with representatives of the insurance industry and may consult with third-party vendors to determine the objectives, details, and deadlines related to the system by establishment of an advisory council. The advisory council shall consist of voting members comprised of:

(a) The director of the department of commerce and insurance, or his or her designee, who shall serve as chair;

(b) Two representatives of the department of revenue, to be appointed by the director of the department of revenue;

(c) One representative of the department of commerce and insurance, to be appointed by the director of the department of commerce and insurance;

(d) Three representatives of insurance companies, to be appointed by the director of the department of commerce and insurance;

(e) One representative from the Missouri Insurance Coalition;

(f) One representative chosen by the National Association of Mutual Insurance Companies;

(g) One representative chosen by the American Property and Casualty Insurance Association;

(h) One representative chosen by the Missouri Independent Agents Association; and

(i) Such other representatives as may be appointed by the director of the department of commerce and insurance;

(5) The department of revenue shall publish for comment, and then issue, a detailed implementation guide for its online verification system;

(6) The department of revenue and its third-party vendors, if any, shall each maintain a contact person for insurers during the establishment, implementation, and operation of the system;

(7) If the department of revenue has reason to believe a vehicle owner does not maintain financial responsibility as required under this chapter, it may also request an insurer to verify the existence of such financial responsibility in a form approved by the department of revenue. In addition, insurers shall cooperate with the department of revenue in establishing and maintaining the verification system established under this section, and shall provide motor vehicle insurance policy status information as provided in the rules promulgated by the department of revenue;

(8) Every property and casualty insurance company licensed to issue motor vehicle insurance or authorized to do business in this state shall comply with sections 303.420 to 303.440, and corresponding rules promulgated by the department of revenue, for the verification of such insurance for every vehicle insured by that company in this state;

(9) Insurers shall maintain a historical record of insurance data for a minimum period of six months from the date of policy inception or policy change for the purpose of historical verification inquiries;

(10) For the purposes of this section, "commercial auto coverage" shall mean any coverage provided to an insured, regardless of number of vehicles or entities covered, under a commercial coverage form and rated from a commercial manual approved by the department of commerce and insurance. Sections 303.420 to 303.440 shall not apply to vehicles insured under commercial auto coverage; however, insurers of such vehicles may participate on a voluntary basis, and vehicle owners may provide proof at or subsequent to the time of vehicle registration that a vehicle is insured under commercial auto coverage, which the department of revenue shall record in the system;

(11) Insurers shall provide commercial or fleet automobile customers with evidence reflecting that the vehicle is insured under a commercial or fleet automobile liability policy. Sufficient evidence shall include an insurance identification card clearly marked with a suitable identifier such as "commercial auto insurance identification card", "fleet auto insurance identification card", or other clear identification that the vehicle is insured under a fleet or commercial policy;

(12) Notwithstanding any provision of sections 303.420 to 303.440, insurers shall be immune from civil and administrative liability for good faith efforts to comply with the terms of sections 303.420 to 303.440;

(13) Nothing in this section shall prohibit an insurer from using the services of a third-party vendor for facilitating the verification system required under sections 303.420 to 303.440.

3. The department of revenue shall promulgate rules as necessary for the implementation of sections 303.420 to 303.440. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

303.440. The verification system established under section 303.430 shall be installed and fully operational on January 1, 2024, following an appropriate testing or pilot period of not less than nine months. Until the successful completion of the testing or pilot period in the judgment of the director of the department of revenue, no enforcement action shall be taken based on the system, including but not limited to action taken under the program established under section 303.425.

304.180. 1. No vehicle or combination of vehicles shall be moved or operated on any highway in this state having a greater weight than twenty thousand pounds on one axle, no combination of vehicles operated by transporters of general freight over regular routes as defined in section 390.020 shall be moved or operated on any highway of this state having a greater weight than the vehicle manufacturer's rating on a steering axle with the maximum weight not to exceed twelve thousand pounds on a steering axle, and no vehicle shall be moved or operated on any state highway of this state having a greater weight than thirty-four thousand pounds on any tandem axle; the term "tandem axle" shall mean a group of two or more axles, arranged one behind another, the distance between the extremes of which is more than forty inches and not

more than ninety-six inches apart.

2. An "axle load" is defined as the total load transmitted to the road by all wheels whose centers are included between two parallel transverse vertical planes forty inches apart, extending across the full width of the vehicle.

3. Subject to the limit upon the weight imposed upon a highway of this state through any one axle or on any tandem axle, the total gross weight with load imposed by any group of two or more consecutive axles of any vehicle or combination of vehicles shall not exceed the maximum load in pounds as set forth in the following table:

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of P.L. 97-424 codified in Title 23 of the United States Code (23 U.S.C. Section 101, et al.), as amended.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in subsections 9, 10, 12, **[**and**]** 13**, and 14** of this section.

7. Notwithstanding any provision of this section to the contrary, the commission shall issue a single-use

special permit, or upon request of the owner of the truck or equipment shall issue an annual permit, for the transporting of any crane or concrete pump truck or well-drillers' equipment. The commission shall set fees for the issuance of permits and parameters for the transport of cranes pursuant to this subsection. Notwithstanding the provisions of section 301.133, cranes, concrete pump trucks, or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than five hundred fifty pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk from a farm to a processing facility or livestock may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

10. Notwithstanding any provision of this section or any other law to the contrary, any vehicle or combination of vehicles hauling grain or grain coproducts during times of harvest may be as much as, but not exceeding, ten percent over the maximum weight limitation allowable under subsection 3 of this section while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

11. Notwithstanding any provision of this section or any other law to the contrary, the commission shall issue emergency utility response permits for the transporting of utility wires or cables, poles, and equipment needed for repair work immediately following a disaster where utility service has been disrupted. Under exigent circumstances, verbal approval of such operation may be made either by the department of transportation motor carrier compliance supervisor or other designated motor carrier services representative. Utility vehicles and equipment used to assist utility companies granted special permits under this subsection may be operated and transported on state-maintained roads and highways at any time on any day. The commission shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be invalid and void.

12. Notwithstanding any provision of this section to the contrary, emergency vehicles designed to be used under emergency conditions to transport personnel and equipment and to support the suppression of fires and mitigate hazardous situations may have a maximum gross vehicle weight of eighty-six thousand pounds inclusive of twenty-four thousand pounds on a single steering axle; thirty-three thousand five hundred pounds on a single drive axle; sixty-two thousand pounds on a tandem axle; or fifty-two thousand pounds on a tandem rear-drive steer axle; except that, such emergency vehicles shall only operate on the Dwight D. Eisenhower National System of Interstate and Defense Highways.

13. Notwithstanding any provision of this section to the contrary, a vehicle operated by an engine fueled primarily by natural gas may operate upon the public highways of this state in excess of the vehicle weight limits set forth in this section by an amount that is equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. In no event shall the maximum gross vehicle weight of the vehicle operating

with a natural gas engine exceed eighty-two thousand pounds.

14. Notwithstanding any provision of law to the contrary, local log trucks and local log truck tractors, as defined in section 301.010, may be operated with a weight not exceeding twenty-two thousand four hundred pounds on one axle or a weight not exceeding forty-four thousand eight hundred pounds on any tandem axle, except the front steering axle shall not exceed fifteen thousand pounds or the gross vehicle weight rating set by the manufacturer, and may have a total weight of up to one hundred five thousand pounds. Provided however, when operating on the national system of interstate and defense highways described in 23 U.S.C. Section 103, as amended, or outside the radius from the forested site specified in section 301.010 with an extended distance local log truck permit, the vehicle shall not exceed the weight limits otherwise specified in this section.

304.240. **1.** Any person, firm, corporation, partnership or association violating any of the provisions of sections 304.170 to 304.230 shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than five dollars or by confinement in a county jail for not more than twelve months, or by both the fine and confinement; provided, however, that where load limits as defined in sections 304.180 to 304.220 have been violated, the fine shall be two cents for each pound of excess weight up to and including five hundred, and five cents for each pound of excess weight above five hundred and not exceeding one thousand, and ten cents for each pound in excess weight above one thousand; provided that, when any vehicle is being operated under a special permit as provided in section 304.200, the term "excess weight" means only weight in excess of the amount permitted in the permit as issued. The court may, in its discretion, cause to be impounded the motor vehicle operated by any person violating the provisions of this section until such time as the fine and cost assessed by the court under this section is paid.

2. Notwithstanding subsection 1 of this section, the fine for a load-limit violation under sections 304.180 to 304.220 involving a local log truck or a local log truck tractor, as such terms are defined in section 301.010, shall be as follows:

(1) If the weight exceeds the limit by one pound to four thousand nine hundred ninety-nine pounds, the fine shall be ten cents for each pound of excess weight;

(2) If the weight exceeds the limit by five thousand pounds to nine thousand nine hundred ninety-nine pounds, the fine shall be twenty cents for each pound of excess weight; and

(3) If the weight exceeds the limit by ten thousand pounds or more, the fine shall be fifty cents for each pound of excess weight."; and

Further amend said bill, page 25, Section 643.315, line 140, by inserting after all of said line the following:

"Section B. The repeal and reenactment of sections 303.025 and 303.041 shall take effect on January 1, 2024."; and

Further amend the title and enacting clause accordingly.

Senator Eslinger moved that the above amendment be adopted, which motion prevailed.

Senator May offered **SA 3**:

(1) Motor fuel, seventeen cents per gallon;

(2) Alternative fuels, not subject to the decal fees as provided in section 142.869, with a power potential equivalent of motor fuel. In the event alternative fuel, which is not commonly sold or measured by the gallon, is used in motor vehicles on the highways of this state, the director is authorized to assess and collect a tax upon such alternative fuel measured by the nearest power potential equivalent to that of one gallon of regular grade gasoline. The determination by the director of the power potential equivalent of such alternative fuel shall be prima facie correct;

(3) Aviation fuel used in propelling aircraft with reciprocating engines, nine cents per gallon as levied and imposed by section 155.080 to be collected as required under this chapter;

(4) Compressed natural gas fuel, five cents per gasoline gallon equivalent until December 31, 2019, eleven cents per gasoline gallon equivalent from January 1, 2020, until December 31, 2024, and then seventeen cents per gasoline gallon equivalent thereafter. The gasoline gallon equivalent and method of sale for compressed natural gas shall be as published by the National Institute of Standards and Technology in

Handbooks 44 and 130, and supplements thereto or revisions thereof. In the absence of such standard or agreement, the gasoline gallon equivalent and method of sale for compressed natural gas shall be equal to five and sixty-six-hundredths pounds of compressed natural gas. All applicable provisions contained in this chapter governing administration, collections, and enforcement of the state motor fuel tax shall apply to the tax imposed on compressed natural gas, including but not limited to licensing, reporting, penalties, and interest;

(5) Liquefied natural gas fuel, five cents per diesel gallon equivalent until December 31, 2019, eleven cents per diesel gallon equivalent from January 1, 2020, until December 31, 2024, and then seventeen cents per diesel gallon equivalent thereafter. The diesel gallon equivalent and method of sale for liquefied natural gas shall be as published by the National Institute of Standards and Technology in Handbooks 44 and 130, and supplements thereto or revisions thereof. In the absence of such standard or agreement, the diesel gallon equivalent and method of sale for liquefied natural gas shall be equal to six and six-hundredths pounds of liquefied natural gas. All applicable provisions contained in this chapter governing administration, collections, and enforcement of the state motor fuel tax shall apply to the tax imposed on liquefied natural gas, including but not limited to licensing, reporting, penalties, and interest;

(6) Propane gas fuel, five cents per gallon until December 31, 2019, eleven cents per gallon from January 1, 2020, until December 31, 2024, and then seventeen cents per gallon thereafter. All applicable provisions contained in this chapter governing administration, collection, and enforcement of the state motor fuel tax shall apply to the tax imposed on propane gas including, but not limited to, licensing, reporting, penalties, and interest;

(7) If a natural gas, compressed natural gas, liquefied natural gas, electric, or propane connection is used for fueling motor vehicles and for another use, such as heating, the tax imposed by this section shall apply to the entire amount of natural gas, compressed natural gas, liquefied natural gas, electricity, or propane used unless an approved separate metering and accounting system is in place.

2. All taxes, surcharges and fees are imposed upon the ultimate consumer, but are to be precollected as described in this chapter, for the facility and convenience of the consumer. The levy and assessment on other persons as specified in this chapter shall be as agents of this state for the precollection of the tax.

[3. In addition to any tax collected under subdivision (1) of subsection 1 of this section, the following tax is levied and imposed on all motor fuel used or consumed in this state, subject to the exemption on tax liability set forth in section 142.822: from October 1, 2021, to June 30, 2022, two and a half cents per gallon; from July 1, 2022, to June 30, 2023, five cents per gallon; from July 1, 2023, to June 30, 2024, seven and a half cents per gallon; from July 1, 2024, to June 30, 2025, ten cents per gallon; and on and after July 1, 2025, twelve and a half cents per gallon.**]"**; and

"**[**142.822. 1. Motor fuel used for purposes of propelling motor vehicles on highways shall be exempt from the fuel tax collected under subsection 3 of section 142.803, and an exemption and refund may be claimed by the taxpayer if the tax has been paid and no refund has been previously issued, provided that the taxpayer applies for the exemption and refund as specified in this section. The exemption and refund shall be issued on a fiscal year basis to each person who pays the fuel tax collected under subsection 3 of section 142.803 and who claims an exemption and refund in accordance with this section, and shall apply so that the fuel taxpayer has no liability for the tax collected in that fiscal year under subsection 3 of section 142.803.

2. To claim an exemption and refund in accordance with this section, a person shall present to the director a statement containing a written verification that the claim is made under penalty of perjury and that states the total fuel tax paid in the applicable fiscal year for each vehicle for which the exemption and refund is claimed. The claim shall not be transferred or assigned, and shall be filed on or after July first, but not later than September thirtieth, following the fiscal year for which the exemption and refund is claimed. (2) Date of sale;

(3) Name and address of purchaser;

(4) Name and address of seller;

(5) Number of gallons purchased; and

4. The director may make any investigation necessary before issuing an exemption and refund under this section, and may investigate an exemption and refund under this section after it has been issued and within the time frame for making adjustments to the tax pursuant to this chapter.

5. If an exemption and refund is not issued within forty-five days of an accurate and complete filing, as required by this chapter, the director shall pay interest at the rate provided in section 32.065 accruing after the expiration of the forty-five-day period until the date the exemption and refund is issued.

6. The exemption and refund specified in this section shall be available only with regard to motor fuel delivered into a motor vehicle with a gross weight, as defined in section 301.010, of twenty-six thousand pounds or less.

7. The director shall promulgate rules as necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.**]"**; and

(i) Any city of the third classification with more than thirteen thousand but fewer than fifteen thousand inhabitants and located in any county of the third classification without a township form of government and with more than thirty-three thousand but fewer than thirty-seven thousand inhabitants; **[**or**]**

(j) Any city of the fourth classification with more than three thousand but fewer than three thousand three hundred inhabitants and located in any county of the third classification without a township form of government and with more than eighteen thousand but fewer than twenty thousand inhabitants and that is not the county seat of such county**; or**

(k) Any city with more than eighteen thousand but fewer than twenty thousand inhabitants and that is the county seat of a county with more than forty thousand but fewer than fifty thousand inhabitants.

(2) The governing body of any city listed in subdivision (1) of this subsection is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half of one percent on all retail sales made in such city which are subject to taxation under the provisions of sections 144.010 to 144.525 for the purpose of improving the public safety for such city, including but not limited to expenditures on equipment, city employee salaries and benefits, and facilities for police, fire and emergency medical providers. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to the provisions of this section shall be effective unless the governing body of the city submits to the voters of the city, at a county or state general, primary or special election, a proposal to authorize the governing body of the city to impose a tax.

2. If the proposal submitted involves only authorization to impose the tax authorized by this section, the ballot of submission shall contain, but need not be limited to, the following language:

> Shall the city of _____ (city's name) impose a citywide sales tax of _____ (insert amount) for the purpose of improving the public safety of the city?
>
> ☐ YES ☐ NO
>
> If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a proposal receives less than the required majority, then the governing body of the city shall have no power to impose the sales tax herein authorized unless and until the governing body of the city shall again have submitted another proposal to authorize the governing body of the city to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a city from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for improving the public safety for such city for so long as the tax shall remain in effect.

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for improving the public safety for the city. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds.

5. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director of the department of revenue shall keep accurate records of the amount of money in the trust and which was collected in each city imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of the city and the public. Not later than the tenth day of each month the director of the department of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the city which levied the tax; such funds shall be deposited with the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall be by an appropriation act to be enacted by the governing body of each such city. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters.

6. The director of the department of revenue may make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the department of revenue of the action at least ninety days prior to the effective date of the repeal and the director of the department of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director of the department of revenue shall remit the balance in the account to the city and close the account of that city. The director of the department of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section."; and

Further amend the title and enacting clause accordingly.

Senator Brown moved that the above amendment be adopted, which motion prevailed.

SENATE AMENDMENT NO. 2

Amend Senate Bill No. 743, Page 1, In the Title, Lines 2-3, by striking "a public safety sales tax" and inserting in lieu thereof the following: "taxation"; and

Further amend said bill, page 7, section 94.902, line 193, by inserting after all of said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in

all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. **Beginning January 1, 2023, in any county with more than four hundred thousand but fewer than five hundred thousand inhabitants, all personal property in such county shall be annually assessed at a percent of its true value in money as of January first of each calendar year as follows:**

(1) A political subdivision shall annually reduce the percentage of true value in money at which personal property is assessed pursuant to this subsection such that the amount by which the revenue generated by taxes levied on such personal property is substantially equal to one hundred percent of the growth in revenue generated by real property assessment growth. Annual reductions shall be made pursuant to this subdivision until December 31, 2073. Thereafter, the percentage of true value in money at which personal property is assessed shall be equal to the percentage in effect on December 31, 2073.

(2) The provisions of subdivision (1) of this subsection shall not be construed to relieve a political subdivision from adjustments to property tax levies as required by section 137.073.

(3) For the purposes of subdivision (1) of this subsection, "real property assessment growth" shall mean the growth in revenue from increases in the total assessed valuation of all real property in a political subdivision over the revenue generated from the assessed valuation of such real property from the previous calendar year. Real property assessment growth shall not include any revenue in excess of the percent increase in the consumer price index, as described in subsection 2 of section 137.073.

(4) Notwithstanding the provisions of subdivisions (1) to (4) of this subsection to the contrary, for the purposes of the tax levied pursuant to Article III, Section 38(b) of the Missouri Constitution, all personal property shall be assessed at thirty-three and one-third percent of its true value in money as of January first of each calendar year.

2. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection **[**5**]** **6** of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of

all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

[2.**]** **3.** Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

[3.**]** **4.** The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely

for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

[4.**]** **5.** The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

[5.**]** **6.** (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

[6.**]** **7.** Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

[7.**]** **8.** Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

[8.**]** **9.** Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount

of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

[9.**]** **10.** The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

[10.**]** **11.** Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

[11.**]** **12.** If a physical inspection is required, pursuant to subsection **[**10**]** **11** of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

[12.**]** **13.** A physical inspection, as required by subsection **[**10**]** **11** of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection **[**11**]** **12** of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

[13.**]** **14.** A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

[14.**]** **15.** Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate

committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

[15.**]** **16.** The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection **[**14**]** **15** of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

[16.**]** **17.** Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444."; and

Further amend said bill, page 7, Section 94.902, line 193, by inserting after all of said line the following:

"144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.525 have the meanings ascribed to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.525;

(2) "Business" includes any activity engaged in by any person, or caused to be engaged in by him, with

the object of gain, benefit or advantage, either direct or indirect, and the classification of which business is of such character as to be subject to the terms of sections 144.010 to 144.525. A person is "engaging in business" in this state for purposes of sections 144.010 to 144.525 if such person engages in business activities within this state or maintains a place of business in this state under section 144.605. The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

(3) "Captive wildlife", includes but is not limited to exotic partridges, gray partridge, northern bobwhite quail, ring-necked pheasant, captive waterfowl, captive white-tailed deer, captive elk, and captive furbearers held under permit issued by the Missouri department of conservation for hunting purposes. (4) "Gross receipts", except as provided in section 144.012, means the total amount of the sale price of the sales at retail including any services other than charges incident to the extension of credit that are a part of such sales made by the businesses herein referred to, capable of being valued in money, whether received in money or otherwise; except that, the term gross receipts shall not include the sale price of property returned by customers when the full sale price thereof is refunded either in cash or by credit. In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid. The term gross receipts shall not include usual and customary delivery charges that are stated separately from the sale price;

(5) "Instructional class", includes any class, lesson, or instruction intended or used for teaching;

(6) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as described in section 277.024, llamas, alpaca, buffalo, bison, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, honey bees, or rabbits raised in confinement for human consumption;

(7) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as hereinafter provided;

(8) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, municipal or private, and whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the state transportation department, estate, trust,

business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit, and the plural as well as the singular number;

(9) "Product which is intended to be sold ultimately for final use or consumption" means tangible personal property, or any service that is subject to state or local sales or use taxes, or any tax that is substantially equivalent thereto, in this state or any other state;

(10) "Purchaser" means a person who purchases tangible personal property or to whom are rendered services, receipts from which are taxable under sections 144.010 to 144.525;

(11) "Research or experimentation activities" are the development of an experimental or pilot model, plant process, formula, invention or similar property, and the improvement of existing property of such type. Research or experimentation activities do not include activities such as ordinary testing or inspection of materials or products for quality control, efficiency surveys, advertising promotions or research in connection with literary, historical or similar projects;

(12) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

SENATE AMENDMENT NO. 4

Amend Senate Bill No. 743, Page 1, Section A, Line 3, by inserting after all of said line the following:

"32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, and shall be imposed on all transactions on which the Missouri state sales tax is imposed.

3. **(1)** Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

(2) In addition to any local sales tax imposed or authorized under the local sales tax law as of January 1, 2023, any taxing jurisdiction may impose one or more sales taxes on all retail sales made in such taxing jurisdiction which are subject to taxation under the provisions of chapter 144 for any purpose designated by the taxing jurisdiction in its ballot of submission to its voters; provided, however, that no sales tax shall be effective unless the governing body of the taxing jurisdiction submits to the voters of the taxing jurisdiction, at a state general election, a proposal to authorize the taxing jurisdiction to impose a tax under the provisions of this subsection. The taxes authorized by this subsection shall be in addition to any and all other sales taxes allowed by law.

(3) The ballot of submission shall contain, but need not be limited to, the following language:

Shall ..... (taxing jurisdiction's name) impose a sales tax at the rate of ..... (insert amount) for the purpose of ..... (insert purpose)?

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the taxing jurisdiction shall have no power to impose the sales tax authorized by this subsection unless and until the governing body of the taxing jurisdiction shall again have submitted another proposal to authorize it to impose the sales tax under the provisions of this subsection and such proposal is approved by a majority of the qualified voters voting thereon.

(4) Sales taxes imposed or authorized under the local sales tax law as of January 1, 2023, and under the provisions of this subsection shall not exceed the following amounts:

(a) For local sales taxes imposed and retained by a taxing entity that is incorporated as a city, town, or village, the total combined rate shall not exceed four and one-half percent;

(b) For local sales taxes imposed and retained by a county, excluding cities not within a county, the total combined rate shall not exceed four and one-half percent;

(c) For local sales taxes imposed and retained by a city not within a county, the total combined rate shall not exceed nine percent;

(d) For local sales taxes imposed and retained by all taxing jurisdictions other than those described in paragraphs (a) to (c) of this subdivision, the total combined rate of sales taxes in any given taxing jurisdiction shall not exceed three percent. For the purposes of this paragraph, local sales taxes imposed by taxing entities described in paragraphs (a) to (c) of this subdivision in a given taxing jurisdiction shall not be included in the calculation of the total combined rate of sales taxes under this

paragraph.

(5) (a) In any election in which more than one sales tax levy is approved by the voters, and the passage of such levies results in a combined rate of sales tax in excess of the limits provided for under subdivision (4) of this subsection, only the sales tax levy receiving the most votes shall become effective, provided such levy does not result in a combined rate of sales tax in excess of the limits provided for under subdivision (4) of this subsection.

(b) No taxing jurisdiction with a combined rate of sales tax in excess of the rates provided in subdivision (4) of this subsection as of August 28, 2022, shall be required to reduce or repeal any such sales tax rate.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose a tax upon all transactions upon which the Missouri state sales tax is imposed to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

(2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November 2022, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

> Shall the _____ (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer?
>
> Approval of this measure will result in a reduction of local revenue to provide for vital services for _____ (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.
>
> ☐ YES ☐ NO
>
> If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2022, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased

from a source other than a licensed Missouri dealer.

(4) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2022, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, and calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, 2023.

(8) Notwithstanding any provision of law to the contrary, if any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed after the general election in November 2014, or if the taxing jurisdiction failed to present the ballot to the voters at a general election on or before November 2022, then the governing body of such taxing jurisdiction may, at any election subsequent to the repeal or after the general election in November 2022, if the jurisdiction failed to present the ballot to the voters, place before the voters the issue of imposing a sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 that were purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the _____ (local jurisdiction's name) apply and collect the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer?

Approval of this measure will result in an increase of local revenue to provide for vital services for _____ (local jurisdiction's name), and it will remove a competitive advantage that non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers have over Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(9) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is adopted, such tax shall take effect and be imposed on the first day of the second calendar quarter after the election.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the

provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, the sales tax upon the titling of all motor vehicles, trailers, boats, and outboard motors shall be imposed at the rate in effect at the location of the residence of the purchaser, and remitted to that local taxing entity, and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes shall not be imposed on the seller of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, but shall be collected from the purchaser by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales

tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax."; and

Further amend the title and enacting clause accordingly.

Senator Hough moved that the above amendment be adopted, which motion prevailed.

We praise You, O God. As we finish our work this day we will leave and have time to be reenergized and reflect; may we have time to relax and be renewed. May we use this time to also find stillness that nurtures our soul and let us enjoy time to be with those we truly love. In Your Holy Name we pray. Amen.

RESOLUTIONS

Senator Schatz offered the following resolution:

SENATE RESOLUTION NO. 626

Whereas, oil and natural gas are vital components of our nation's economy, providing more than 11 million jobs nationwide and nearly 8% of the nation's GDP; and

Whereas, U.S. energy abundance has provided security that has historically led to reliable, affordable energy for American consumers and our allies; and

Whereas, the world is looking to the U.S. for energy leadership and stability as current geopolitical events pose potential economic disruptions when inflation already affects households both in the U.S. and across Europe; and

Whereas, operation and expansion of a key component of America's energy success, our oil and natural gas pipelines, which provide the most efficient means of transporting those commodities, are being blocked by the federal government and many state governments; and

Whereas, the Biden Administration continues to increase costs and delay efforts to develop oil and natural gas leasing on federal lands

and waters despite the fact that the program provides billions in revenues to federal, state, and local governments and supports conservation programs throughout the country; and

Whereas, U.S. offshore oil and natural gas production is one of the lowest carbon intensive energy-producing regions in the world, and halting offshore leasing and development will shift production and capital investment overseas and undermine decades of environmental progress:

Now, Therefore, Be It Resolved, that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session hereby strongly urge the President of the United States to take measures and support policies that ensure long-term American energy leadership, security, and progress, including those that result in the continued operation of existing oil and natural gas pipelines, the construction of new oil and gas pipelines, the resumption of consistent, credible federal lease sales, and the immediate preparation of a new five-year program to guide future offshore leasing; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the United States Secretary of the Interior, the United States Secretary of Transportation, the Federal Energy Regulatory Commission, and each member of the Missouri Congressional delegation.

REFERRALS

President Pro Tem Schatz referred **SS No. 2** for **SCS** for **SB 745**, **SS** for **SCS** for **SB 724** and **SB 743** to the Committee on Governmental Accountability and Fiscal Oversight.

Journal of the Senate

SECOND REGULAR SESSION

THIRTY-EIGHTH DAY—MONDAY, MARCH 28, 2022

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Carl Gauck offered the following prayer:

"I will instruct you and teach you the way you should go; I will counsel you with my eye upon you." (Psalm 32:8)

Almighty God, we thank You for keeping Your eye upon us as we travel to begin this new week and we need Your counsel as more and more bills are laid before us for consideration. You have shown us in Your teaching that we do not often see things in the same way and certainly need Your counsel so we might see the benefit and wisdom each bill has. So, help us Lord this week that we might embrace what is before us and make solid decisions when we are called to vote. In Your Holy Name we pray. Amen.

Journal of the Senate

SECOND REGULAR SESSION

THIRTY-NINTH DAY—TUESDAY, MARCH 29, 2022

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

The Reverend Carl Gauck offered the following prayer:

"The Lord is near to the brokenhearted, and saves the crushed spirit." (Psalm 34:18)

Merciful God, we have so many damaged souls and people whose spirits are crushed due to the war that plagues our friends, the violence that destroys lives and leaves people grieving in its wake and the uncertainty of the future as prices rise and what was a ready abundance dries up before us. Teach us to trust in You always so that we need not fear but know that You will guide us through these changing times. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

SENATE RESOLUTION NO. 702

Whereas, Gary Pinkel was born in Akron, Ohio; and

Whereas, he played football at Kent State University, achieving the honor of being named team captain and being named as a two-time, all-conference tight end; and

Whereas, after beginning his head coaching career at Toledo University in 1991, he won 65.9 percent of the games he coached and achieved a record of 73-37-3, the most wins in school history; and

Whereas, his nine winning seasons out of ten seasons coached at Toledo University included one conference championship, three division titles, and a Vegas Bowl win, and he was twice named Coach of the Year of the Mid-American Conference; and

Whereas, in 2001, he became the head coach at the University of Missouri, which had fielded a football program with only two winning seasons in the previous seventeen years and only one ten-win season in school history; and

Whereas, in the next fifteen years with him as the head coach, the University of Missouri football team achieved ten winning seasons, five ten-win seasons, five conference division titles, two Southeastern Conference championship game appearances, ten bowl appearances, six bowl victories, five final top-20 national rankings, and the university's first No. 1 ranking since 1960; and

Whereas, during those fifteen successful years, he was named the National Coach of the Year in 2007, the Big 12 Conference coach of the year in 2007, and the Southeastern Conference coach of the year in 2014; and

Whereas, his 2007 team became one of his greatest with a Big 12 North division title and record of 12-2 while scoring an average of 40 points per game. The team ruined the undefeated record of the border rival Kansas Jayhawks, defeating them with a 36-28 win and claiming the national No. 1 ranking. The 2007 team finished the season with a 38-17 victory over Arkansas in the Cotton Bowl and a national No. 4 ranking; and

Whereas, after the university moved to the Southeastern Conference, his 2013 team surprised college football experts by finishing the season as Southeastern Conference East division champions and Cotton Bowl champions over Oklahoma State with another 12-2 record and a national No. 5 ranking; and

Whereas, in 2014, he led his team in a return to the Southeastern Conference championship and finished the season with an 11-3 record and a national No. 14 ranking by defeating Minnesota in the Buffalo Wild Wings Citrus Bowl; and

Whereas, he ended his college football coaching career with his retirement in 2015 as the third-winningest active college football coach; and

Whereas, during his tenure as head coach, he led the University of Missouri football team to a 118-73 record; and

Whereas, he joined coach Bear Bryant and coach Steve Spurrier as one of only three coaches in college football history to hold the most wins for two collegiate football programs; and

Whereas, he became the first coach in NCAA Division I Football Bowl Subdivision history to lead a team to the conference championship game in three different conferences; and

Whereas, seventy-nine of his players were recognized as first team all-conference players, ten were recognized as First Team All-Americans, three were recognized as Academic All-Americans, three were recognized as National Football Foundation National Scholar-Athletes, and thirty-nine were drafted by National Football League teams; and

Whereas, players on his University of Missouri football teams excelled in the classroom by leading the conference in academic progress rate numerous times and with ninety-five percent of his senior players graduating; and

Whereas, he has been inducted into the Kenmore High School Hall of Fame, the Kent State Athletics Hall of Fame, the Toledo Athletics Hall of Fame, the Mid-American Conference Hall of Fame, the St. Louis Sports Hall of Fame, and the Missouri Sports Hall of Fame; and

Whereas, on January 10, 2022, the National Football Foundation & College Hall of Fame announced that Gary Pinkel is a member of the 2022 College Football Hall of Fame Class:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby congratulate Gary Pinkel on his myriad achievements in college football, recognize him as the winningest coach in Missouri football history, and recognize that his leadership and success put Missouri on the college football map and gave the state's flagship university hope and high expectations; and

(14) Children who have attained six years of age but have not attained nineteen years of age. For

children who have attained six years of age but have not attained nineteen years of age, the family support division shall use an income assessment methodology which provides for eligibility when family income is equal to or less than equal to one hundred percent of the federal poverty level established by the Department of Health and Human Services, or its successor agency. Upon notification of such child's birth, the family support division shall assign a MO HealthNet eligibility identification number to the child so that claims may be submitted and paid under such child's identification number;

(18) Pregnant women and children eligible for MO HealthNet benefits pursuant to subdivision (12), (13) or (14) of this subsection shall not as a condition of eligibility for MO HealthNet benefits be required to apply for aid to families with dependent children. The family support division shall utilize an application for eligibility for such persons which eliminates information requirements other than those necessary to apply for MO HealthNet benefits. The division shall provide such application forms to applicants whose preliminary income information indicates that they are ineligible for aid to families with dependent children. Applicants for MO HealthNet benefits under subdivision (12), (13) or (14) of this subsection shall be informed of the aid to families with dependent children program and that they are entitled to apply for such benefits. Any forms utilized by the family support division for assessing eligibility under this chapter shall be as simple as practicable;

the division for the expenses, including but not limited to the salary, benefits, travel, training, telephone, supplies, and equipment, of such an eligibility specialist. The division may seek to employ such eligibility specialists who are otherwise qualified for such positions and who are current or former welfare participants. The division may consider training such current or former welfare participants as eligibility specialists for this program;

(20) Pregnant women who are eligible for, have applied for and have received MO HealthNet benefits under subdivision (2), (10), (11) or (12) of this subsection shall continue to be considered eligible for all pregnancy-related and postpartum MO HealthNet benefits provided under section 208.152 until the end of the sixty-day period beginning on the last day of their pregnancy. Pregnant women receiving mental health treatment for postpartum depression or related mental health conditions within sixty days of giving birth shall, subject to appropriations and any necessary federal approval, be eligible for MO HealthNet benefits for mental health services for the treatment of postpartum depression and related mental health conditions for up to twelve additional months. Pregnant women receiving substance abuse treatment within sixty days of giving birth shall, subject to appropriations and any necessary federal approval, be eligible for MO HealthNet benefits for substance abuse treatment and mental health services for the treatment of substance abuse for no more than twelve additional months, as long as the woman remains adherent with treatment. The department of mental health and the department of social services shall seek any necessary waivers or state plan amendments from the Centers for Medicare and Medicaid Services and shall develop rules relating to treatment plan adherence. No later than fifteen months after receiving any necessary waiver, the department of mental health and the department of social services shall report to the house of representatives budget committee and the senate appropriations committee on the compliance with federal cost neutrality requirements;

(21) Case management services for pregnant women and young children at risk shall be a covered service. To the greatest extent possible, and in compliance with federal law and regulations, the department of health and senior services shall provide case management services to pregnant women by contract or agreement with the department of social services through local health departments organized under the provisions of chapter 192 or chapter 205 or a city health department operated under a city charter or a combined city-county health department or other department of health and senior services designees. To the greatest extent possible the department of social services and the department of health and senior services shall mutually coordinate all services for pregnant women and children with the crippled children's program, the prevention of intellectual disability and developmental disability program and the prenatal care program administered by the department of health and senior services. The department of social services shall by regulation establish the methodology for reimbursement for case management services provided by the department of health and senior services. For purposes of this section, the term "case management" shall mean those activities of local public health personnel to identify prospective MO HealthNet-eligible high-risk mothers and enroll them in the state's MO HealthNet program, refer them to local physicians or local health departments who provide prenatal care under physician protocol and who participate in the MO HealthNet program for prenatal care and to ensure that said high-risk mothers receive support from all private and public programs for which they are eligible and shall not include involvement in any MO HealthNet prepaid, case-managed programs;

(22) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. The department of social services, at the direction of the general assembly, may implement

(b) All persons who would be determined to be eligible for aid to the blind benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005, except that less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), shall be used to raise the income limit to one hundred percent of the federal poverty level;

(c) All persons who would be determined to be eligible for permanent and total disability benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized by annual appropriations. Eligibility standards for permanent and total disability benefits shall not be limited by age;

Section 1396a(e)(16). The department shall submit a state plan amendment to the Centers for Medicare and Medicaid Services within sixty days of the effective date of this act;

(b) The provisions of this subdivision shall remain in effect for any period of time during which

the federal authority under 42 U.S.C. Section 1396a(e)(16), as amended, or any successor statutes or implementing regulations, is in effect.

2. Rules and regulations to implement this section shall be promulgated in accordance with chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

3. After December 31, 1973, and before April 1, 1990, any family eligible for assistance pursuant to 42 U.S.C. Section 601, et seq., as amended, in at least three of the last six months immediately preceding the month in which such family became ineligible for such assistance because of increased income from employment shall, while a member of such family is employed, remain eligible for MO HealthNet benefits for four calendar months following the month in which such family would otherwise be determined to be ineligible for such assistance because of income and resource limitation. After April 1, 1990, any family receiving aid pursuant to 42 U.S.C. Section 1396r-6. Each family which has received such medical assistance during the entire six-month period described in this section and which meets reporting requirements and income tests established by the division and continues to include a child as provided in 42 U.S.C. Section 1396r-6 shall receive MO HealthNet benefits without fee for an additional six months. The MO HealthNet division may provide by rule and as authorized by annual appropriation the scope of MO HealthNet coverage to be granted to such families.

4. When any individual has been determined to be eligible for MO HealthNet benefits, such medical assistance will be made available to him or her for care and services furnished in or after the third month before the month in which he made application for such assistance if such individual was, or upon application would have been, eligible for such assistance at the time such care and services were furnished; provided, further, that such medical expenses remain unpaid.

5. The department of social services may apply to the federal Department of Health and Human Services for a MO HealthNet waiver amendment to the Section 1115 demonstration waiver or for any additional MO HealthNet waivers necessary not to exceed one million dollars in additional costs to the state, unless subject to appropriation or directed by statute, but in no event shall such waiver applications or amendments seek to waive the services of a rural health clinic or a federally qualified health center as defined in 42 U.S.C. Section 1396d(l)(1) and (2) or the payment requirements for such clinics and centers as provided in 42 U.S.C. Section 1396a(a)(15) and 1396a(bb) unless such waiver application is approved by the oversight committee created in section 208.955. A request for such a waiver so submitted shall only become effective by executive order not sooner than ninety days after the final adjournment of the session of the general assembly to which it is submitted, unless it is disapproved within sixty days of its submission to a regular session by a senate or house resolution adopted by a majority vote of the respective elected members thereof, unless the request for such a waiver is made subject to appropriation or directed by statute.

6. Notwithstanding any other provision of law to the contrary, in any given fiscal year, any persons made

eligible for MO HealthNet benefits under subdivisions (1) to (22) of subsection 1 of this section shall only be eligible if annual appropriations are made for such eligibility. This subsection shall not apply to classes of individuals listed in 42 U.S.C. Section 1396a(a)(10)(A)(i).

7. (1) Notwithstanding any provision of law to the contrary, a military service member, or an immediate family member residing with such military service member, who is a legal resident of this state and is eligible for MO HealthNet developmental disability services, shall have his or her eligibility for MO HealthNet developmental disability services temporarily suspended for any period of time during which such person temporarily resides outside of this state for reasons relating to military service, but shall have his or her eligibility immediately restored upon returning to this state to reside.

(2) Notwithstanding any provision of law to the contrary, if a military service member, or an immediate family member residing with such military service member, is not a legal resident of this state, but would otherwise be eligible for MO HealthNet developmental disability services, such individual shall be deemed eligible for MO HealthNet developmental disability services for the duration of any time in which such individual is temporarily present in this state for reasons relating to military service.

208.662. 1. There is hereby established within the department of social services the "Show-Me Healthy Babies Program" as a separate children's health insurance program (CHIP) for any low-income unborn child. The program shall be established under the authority of Title XXI of the federal Social Security Act, the State Children's Health Insurance Program, as amended, and 42 CFR 457.1.

2. For an unborn child to be enrolled in the show-me healthy babies program, his or her mother shall not be eligible for coverage under Title XIX of the federal Social Security Act, the Medicaid program, as it is administered by the state, and shall not have access to affordable employer-subsidized health care insurance or other affordable health care coverage that includes coverage for the unborn child. In addition, the unborn child shall be in a family with income eligibility of no more than three hundred percent of the federal poverty level, or the equivalent modified adjusted gross income, unless the income eligibility is set lower by the general assembly through appropriations. In calculating family size as it relates to income eligibility, the family shall include, in addition to other family members, the unborn child, or in the case of a mother with a multiple pregnancy, all unborn children.

3. Coverage for an unborn child enrolled in the show-me healthy babies program shall include all prenatal care and pregnancy-related services that benefit the health of the unborn child and that promote healthy labor, delivery, and birth. Coverage need not include services that are solely for the benefit of the pregnant mother, that are unrelated to maintaining or promoting a healthy pregnancy, and that provide no benefit to the unborn child. However, the department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

4. There shall be no waiting period before an unborn child may be enrolled in the show-me healthy babies program. In accordance with the definition of child in 42 CFR 457.10, coverage shall include the period from conception to birth. The department shall develop a presumptive eligibility procedure for enrolling an unborn child. There shall be verification of the pregnancy.

5. Coverage for the child shall continue for up to one year after birth, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations.

6. **(1)** Pregnancy-related and postpartum coverage for the mother shall begin on the day the pregnancy ends and extend through the last day of the month that includes the sixtieth day after the pregnancy ends,

unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations. The department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

(2) Beginning April 1, 2022, or the effective date of this act, whichever is later, mothers eligible to receive coverage under this section shall receive medical assistance benefits during the pregnancy and during the twelve-month period that begins on the last day of the woman's pregnancy and ends on the last day of the month in which such twelve-month period ends, consistent with the provisions of 42 U.S.C. Section 1397gg(e)(1)(J). The department shall seek any necessary state plan amendments or waivers to implement the provisions of this subdivision within sixty days of the effective date of this act. The provisions of this subdivision shall remain in effect for any period of time during which the federal authority under 42 U.S.C. Section 1397gg(e)(1)(J), as amended, or any successor statutes or implementing regulations, is in effect.

7. The department shall provide coverage for an unborn child enrolled in the show-me healthy babies program in the same manner in which the department provides coverage for the children's health insurance program (CHIP) in the county of the primary residence of the mother.

8. The department shall provide information about the show-me healthy babies program to maternity homes as defined in section 135.600, pregnancy resource centers as defined in section 135.630, and other similar agencies and programs in the state that assist unborn children and their mothers. The department shall consider allowing such agencies and programs to assist in the enrollment of unborn children in the program, and in making determinations about presumptive eligibility and verification of the pregnancy.

9. Within sixty days after August 28, 2014, the department shall submit a state plan amendment or seek any necessary waivers from the federal Department of Health and Human Services requesting approval for the show-me healthy babies program.

10. At least annually, the department shall prepare and submit a report to the governor, the speaker of the house of representatives, and the president pro tempore of the senate analyzing and projecting the cost savings and benefits, if any, to the state, counties, local communities, school districts, law enforcement agencies, correctional centers, health care providers, employers, other public and private entities, and persons by enrolling unborn children in the show-me healthy babies program. The analysis and projection of cost savings and benefits, if any, may include but need not be limited to:

(1) The higher federal matching rate for having an unborn child enrolled in the show-me healthy babies program versus the lower federal matching rate for a pregnant woman being enrolled in MO HealthNet or other federal programs;

(2) The efficacy in providing services to unborn children through managed care organizations, group or individual health insurance providers or premium assistance, or through other nontraditional arrangements of providing health care;

4. The director may make any investigation necessary before issuing an exemption and refund under this section, and may investigate an exemption and refund under this section after it has been issued and within the time frame for making adjustments to the tax pursuant to this chapter.

5. If an exemption and refund is not issued within forty-five days of an accurate and complete filing, as required by this chapter, the director shall pay interest at the rate provided in section 32.065 accruing after the expiration of the forty-five-day period until the date the exemption and refund is issued.

6. The exemption and refund specified in this section shall be available only with regard to motor fuel delivered into a motor vehicle with a gross weight, as defined in section 301.010, of twenty-six thousand pounds or less.

7. The director shall promulgate rules as necessary to implement the provisions of this section. The Senate met pursuant to adjournment.

"Three things restore a person's good spirits: beautiful sounds, sights, and smells." (Babylonian Talmud, Berakhot 57b)

Loving Father, sometimes we see the world parched and behold none of the beauty You have created so let us turn from such places and direct our attention to Your steadfast love and the love of those You have given us to love. Help us Lord to see the beauty and caring around us and help us Lord enjoy the sights and sounds and delights that You have put before to enjoy. In Your Holy Name we pray. Amen.

RESOLUTIONS

Senator Williams offered the following resolution:

SENATE RESOLUTION NO. 705

Whereas, nearly 841,000 individuals in the United States have died from a drug overdose since 1999; and

Whereas, substance use disorders and drug overdoses affect all socioeconomic groups, racial and ethnic groups, geographic regions, and ages; and

Whereas, substance use disorders are a chronic disease, and recognizing those disorders as such decreases stigma and acknowledges that substance use may be beyond the control of an individual; and

Whereas, overdose deaths are preventable, and lives can be saved through awareness, prevention, intervention, treatment, and recovery support; and

Whereas, substance use disorder is seen by both the Centers for Disease Control and Prevention and the World Health Organization as a fast-growing epidemic that can all too easily lead to overdose and death; and

Whereas, more than 100,000 individuals in the United States died from drug overdoses in the twelve month period ending April 2021; and

Whereas, for every drug overdose that results in death, there are many more nonfatal overdoses, each taking an emotional and economic toll on the individual, their family, and the community at large; and

Whereas, substance use disorder can fuel feelings of shame, guilt, embarrassment, depression, and hopelessness, causing individuals to resist seeking treatment and support; and

Whereas, International Overdose Awareness Day is a global event held on August 31st of each year to raise awareness of drug overdoses, to reduce the stigma of drug-related deaths, and to acknowledge the grief felt by families and friends remembering those who have died or have a permanent injury as a result of a drug overdose; and

Whereas, recognizing International Overdose Awareness Day in Missouri sends a strong message to former or current addictive substance users that they are valued and that overdose death is preventable:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby designate August 31, 2022, as International Overdose Awareness Day in Missouri; and

Be It Further Resolved that the Senate requests that the Governor order the capitol building to be lit in purple on that day and issue a proclamation calling on public officials and the residents of the State of Missouri to observe International Overdose Awareness Day with appropriate activities and programs each year.

Senator Onder offered the following resolution:

SENATE RESOLUTION NO. 706

Whereas, many people with serious, chronic mental illnesses, such as schizophrenia and other schizoaffective disorders, bipolar disorders, or severe depression, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

Whereas, while ongoing treatment with these medications can be very helpful, and even lifesaving, for many people, such treatment can also lead to tardive dyskinesia; and

Whereas, many people who have gastrointestinal disorders, including gastroparesis, nausea, and vomiting, also require treatment with DRBAs; and

Whereas, treatment of gastrointestinal disorders with DRBAs can be very helpful, but for many patients can lead to tardive dyskinesia; and

Whereas, tardive dyskinesia is a movement disorder that is characterized by random, involuntary, and uncontrolled movements of different muscles in the face, trunk, and extremities, and, in some cases, people may experience movement of the arms, legs, fingers, toes, tongue, lips, and jaw. Other symptoms may include swaying movements of the trunk or hips and impact to the muscles associated with walking, speech, eating, and breathing; and

Whereas, tardive dyskinesia can develop months, years, or decades after a person starts taking DRBAs and even after they have discontinued use of those medications. Not everyone who takes a DRBA develops tardive dyskinesia, but, if it develops, tardive dyskinesia is often permanent; and

Whereas, common risk factors for tardive dyskinesia include advanced age and alcoholism or other substance abuse disorders. Postmenopausal women and people with a mood disorder are also higher risk of developing tardive dyskinesia; and

Whereas, a person is at higher risk for tardive dyskinesia after taking DRBAs for three months or longer, but the longer the person is on these medications, the higher the risk of developing tardive dyskinesia; and

Whereas, studies suggest that overall risk of developing tardive dyskinesia is between 10 and 30 percent; and

Whereas, it is estimated that over 500,000 Americans suffer from tardive dyskinesia and, according to the National Alliance for Mental Illness, one in every four patients receiving long-term treatment with an antipsychotic medication will experience tardive dyskinesia; and

Whereas, years of difficult and challenging research have resulted in recent scientific breakthroughs, with two new treatments for tardive dyskinesia approved by the U.S. Food and Drug Administration; and

Whereas, tardive dyskinesia is often unrecognized and patients suffering from the illness are commonly misdiagnosed. Regular screening for tardive dyskinesia in patients taking DRBA medications is recommended by the American Psychiatric Association; and

Whereas, patients suffering from tardive dyskinesia often suffer embarrassment due to abnormal and involuntary movements, which leads them to withdraw from society and increasingly isolate themselves as the disease progresses; and

Whereas, caregivers of patients with tardive dyskinesia face many challenges and are often responsible for the overall care of the patient; and

Whereas, the Senate can raise awareness of tardive dyskinesia in the public and medical community:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby designates the week of May 1, 2022, as "Tardive Dyskinesia Awareness Week"; and

Be it further resolved the members of the Missouri Senate encourage Missouri residents to become better informed about and aware of tardive dyskinesia.

"The heavens declare the glory of God, and the sky proclaims its maker's handiwork." (Psalm 19:1)

We are grateful Lord for the gift of rain and sunshine and all that comes from Your gracious hand. We are mindful of Your care for us as we drove here and saw the earth ready to burst forth with spring's blessed sight in flowers that remind us of the beauty that You have created and our need to be good stewards of the earth and care for the resources You provide us. We are thankful to You for the work You call for each of us to do, being mindful of Your spirit's prompting so we might be of assistance to those we serve. In Your Holy Name we pray. Amen.

(d) The term "employee" set forth in this subdivision shall be applicable only with respect to section 431.202 and shall have no application in any other context. 431.202. 1. A reasonable covenant in writing promising not to solicit, recruit, hire**, induce, persuade, encourage,** or otherwise interfere with**, directly or indirectly,** the employment **or other business relationship** of one or more employees **of a business entity** shall be enforceable and not a restraint of trade pursuant to subsection 1 of section 416.031 if:

(1) Between two or more **[**corporations or other**]** business entities seeking to preserve workforce stability (which shall be deemed to be among the protectable interests of each **[**corporation or**] such** business entity) during, and for a reasonable period following, negotiations between such **[**corporations or**] business** entities for the acquisition of all or a part of one or more of such **[**corporations or**] business** entities;

(2) Between two or more **[**corporations or**]** business entities engaged in a joint venture or other legally permissible business arrangement where such covenant seeks to protect against possible misuse of confidential **business or proprietary information** or trade **[**secret business information**] secrets** shared or to be shared between or among such **[**corporations or**]** entities;

(3) Between **[**an employer**] a business entity** and one or more employees **of such business entity** seeking on the part of the **[**employer**] business entity** to protect:

(a) Confidential **business or proprietary information** or trade **[**secret business information**] secrets**; or

(b) Customer or supplier relationships, goodwill or loyalty, which shall be deemed to be among the protectable interests of the **[**employer**] business entity**; or

(4) Between **[**an employer**] a business entity** and one or more employees **of such business entity**, notwithstanding the absence of the protectable interests described in subdivision (3) of this subsection, so long as such covenant does not continue for more than **[**one year**] two years** following the employee's employment **or business relationship with the business entity**; provided, however, that this subdivision shall not apply to covenants signed by employees who provide only secretarial or clerical services **and who own no shares, partnership interest, membership or membership interest in a limited liability company or series limited liability company, or equity interest, ownership, profit participation, or other interest of any type in the business entity**.

2. Whether a covenant covered by **subsection 1 of** this section is reasonable shall be determined based upon the facts and circumstances pertaining to such covenant, but a covenant covered exclusively by subdivision (3) or (4) of subsection 1 of this section shall be conclusively presumed to be reasonable if its postemployment **or postbusiness** duration is no more than **[**one year**] two years**.

3. **A reasonable covenant in writing promising not to solicit, induce, persuade, encourage, service, accept business from, or otherwise interfere with, directly or indirectly, a business entity's customers, including, without limitation, any reduction, termination, or transfer of any customer's business, in whole or in part, for purposes of providing any product or any service that is competitive with those provided by the business entity, shall be enforceable, and not a restraint of trade pursuant to subsection 1 of section 416.031, if the covenant is limited to customers with whom the employee dealt during the employee's employment or other business relationship with the business entity, and if:**

(1) The covenant is between a business entity and one or more current or former employees of the business entity and is not associated with the sale or ownership of all or any part of:

(a) The assets of a business entity; or

(b) Any interest in a business entity, including, but not limited to, all or any part of the shares of a corporation, a partnership interest, a membership or membership interest in a limited liability company or series limited liability company, or an equity interest, ownership, profit participation, or other interest of any type in any business entity;

so long as the covenant does not continue for more than two years following the end of the employee's employment or business relationship with the business entity. Notwithstanding the foregoing, this subdivision shall not apply to covenants with current or former distributors, dealers, franchisees, lessees of real or personal property, or licensees of a trademark, trade dress, or service mark;

(2) The covenant is between a business entity and a current or former distributor, dealer, franchisee, lessee of real or personal property, or licensee of a trademark, trade dress, or service mark, and is not associated with the sale or ownership of all or any part of any of the items provided in paragraphs (a) or (b) of subdivision (1) of this subsection, so long as such covenant does not continue for more than three years following the end of the business relationship; or

(3) The covenant is between a business entity and the owner or seller of all or any part of any of the items provided in paragraphs (a) or (b) of subdivision (1) of this subsection, so long as the covenant does not continue for more than the longer of five years in duration or the period of time during which payments are being made to the owner or seller as a result of any sale measured from the date of termination, closing, or disposition of such items.

(a) A breach or threatened breach of a covenant described in this subdivision shall create a conclusive presumption of irreparable harm in the absence of an issuance of injunctive relief in connection with the enforcement of the covenant, without the necessity of establishing by prima facie evidence any actual or threatened damages or harm. Nothing in this paragraph shall be construed to change any other applicable evidentiary standard or other standards necessary for obtaining temporary, preliminary, or permanent injunctive relief relating to the enforcement of covenants.

(b) A provision in writing by which an employee promises to provide prior notice to a business

entity of the employee's intent to terminate, sell, or otherwise dispose of all or any part of any of the items covered by this subdivision shall be conclusively presumed to be enforceable, and not a restraint of trade pursuant to subsection 1 of section 416.031, if the specified notice period is no longer than thirty days in duration and the business entity agrees in writing to pay the employee at the employee's regular rate of pay and to provide the employee with the employee's regular benefits during the applicable notice period even if the business entity does not require the employee to provide services during the notice period.

4. Whether a covenant covered by subsection 3 of this section is reasonable shall be determined based upon the facts and circumstances pertaining to the covenant, but a covenant covered by subdivisions (1) to (3) of subsection 3 of this section shall be conclusively presumed to be reasonable if its postemployment, posttermination, postbusiness relationship, postsale, or postdisposition duration is consistent with the applicable duration set forth in subdivisions (1) to (3) of subsection 3 of this section.

5. No express reference to geographic area shall be required for a covenant described in this section to be enforceable.

6. If a covenant is overbroad, overlong, or otherwise not reasonably necessary to protect the legitimate business interests of the person seeking enforcement of the covenant, a court shall modify the covenant, enforce the covenant as modified, and grant only the relief reasonably necessary to protect such interests.

7. Nothing in subdivision (3) or (4) of subsection 1 **or subdivisions (1) to (3) of subsection 3** of this section is intended to create, or to affect the validity or enforceability of, **[**employer-employee**]** covenants not to compete**, other types of covenants, or nondisclosure or confidentiality agreements, except as expressly provided in this section**.

[4.**]** **8.** Nothing in this section shall preclude a covenant described in subsection 1 of this section from being enforceable in circumstances other than those described in subdivisions (1) to (4) of subsection 1 of this section, **or a covenant described in subsection 3 of this section from being enforceable in circumstances other than those described in subdivisions (1) to (3) of subsection 3 of this section,** where such covenant is reasonably necessary to protect a party's legally permissible business interests.

[5.**]** **9. Except as otherwise expressly provided in this section,** nothing **[**is**]** **in** this section shall be construed to limit an employee's ability to seek or accept employment with another employer immediately upon, or at any time subsequent to, termination of employment, whether said termination was voluntary or nonvoluntary.

[6.**]** **10.** This section shall have retrospective as well as prospective effect."; and

Further amend the title and enacting clause accordingly.

The tax credit authorized by this section may be claimed by the taxpayer to offset the tax liability imposed by chapter 143 or chapter 148 that becomes due in the tax year during which such qualified research expenses were incurred. **For tax years ending before January 1, 2005,** where the amount of the

(b) Five million dollars of such ten million dollars shall be reserved for minority business enterprises, women's business enterprises, and small businesses. Any reserved amount not issued or awarded to a minority business enterprise, women's business enterprise, or small business by November first of the tax year may be issued to any taxpayer otherwise eligible for a tax credit under this section.

(c) No single taxpayer shall be issued or awarded more than three hundred thousand dollars in tax credits under this section in any year.

(d) In the event that total eligible claims for credits received in a calendar year exceed the annual cap, each eligible claimant shall be issued credits based upon a pro-rata basis, given that all new businesses, defined as a business less than five years old, are issued full tax credits first.

[7. For all tax years beginning on or after January 1, 2005, no tax credits shall be approved, awarded, or issued to any person or entity claiming any tax credit under this section.**]**

8. Under section 23.253 of the Missouri sunset act:

Relating to the America 250 Missouri Commission

Whereas, the 250th anniversary of the Declaration of Independence and 250th anniversary of the United States of America are approaching in the coming years; and

Whereas, such anniversaries are worthy of celebration at both the federal and state levels; and

Be it Further Resolved that the principal purpose of the Commission shall be to plan, promote, and implement where appropriate public celebrations and commemorations of the 250th anniversary of the Declaration of Independence on July 4, 2026, and the 250th anniversary of the United States of America; and

Be it Further Resolved that the Commission is authorized to cooperate with the United States Semiquincentennial Commission created by Public Law 114-196, other national and state organizations engaged in commemoration and celebration of the United States Semiquincentennial, and other national, regional, state, and local public and private organizations having compatible purposes. (2) Teaching students and increasing public knowledge and appreciation of the breadth of American history and the centuries-long quest for "liberty and justice for all". This includes sharing the stories and contributions of the various people who have populated the land, from

indigenous peoples, explorers, British colonists, seekers of religious freedom, enslaved African Americans, and many others who are part of America's stories. This should also include the commemoration of events that occurred in Missouri during the American Revolutionary War period, such as the Battle of Fort San Carlos in what is now the city of St. Louis in 1780;

(3) Advancing the cause of liberty and American self-government and of the meaning of "E Pluribus Unum" ("From many, one"), through promoting civic knowledge and practice, including America's "Charters of Freedom" (the Declaration of Independence, the Constitution, and the Bill of Rights), and the constitutional features of self-government which emphasize the roles of active and engaged good citizens;

(4) Emphasizing the service and sacrifices of veterans of all generations who have secured and preserved American independence and freedom and encouraging Missourians to honor them;

Be it Further Resolved that members shall serve for the life of the Commission, provided any public official's expiration of his or her term shall create a vacancy, and all vacancies shall be filled in the same manner as originally appointed; and

Be it Further Resolved that the appointing authorities shall coordinate their appointments so that diversity of gender, race, and geographical areas is reflective of the makeup of this state; and

Be it Further Resolved that the Commission shall elect its chair, vice chair and any other officers it deems necessary. A majority of the members shall constitute a quorum to conduct business; and

Be it Further Resolved that the Office of Administration shall provide administrative support for the Commission; and

Be it Further Resolved that the Commission, its members, and any staff assigned to the Commission shall receive reimbursement for their actual and necessary expenses in attending meetings of the Commission, with such reimbursement for the legislative members only coming from the Joint Contingent Fund; and

Be it Further Resolved that the Commission shall terminate by either a majority of the members voting for termination, or by December 31, 2027, whichever occurs first; and

3. Any party to any action initiated under this section has a right to a trial by jury.

4. The sum of the amount of actual damages, including damages for future pecuniary losses, emotional pain, suffering, inconvenience, mental anguish, loss of enjoyment of life, and other nonpecuniary losses, and punitive damages awarded under this section **for an unlawful discriminatory practice related to employment** shall not exceed for each complaining party:

285.575. 1. This section shall be known and may be cited as the "Whistleblower's Protection Act".

2. As used in this section, the following terms shall mean:

(1) "Because" or "because of", as it relates to the adverse decision or action, the person's status as a protected person was **[**the**] a** motivating factor;

(2) "Employer", an entity that has six or more employees for each working day in each of twenty or more calendar weeks in the current or preceding calendar year. "Employer" shall not include the state of Missouri or its agencies, instrumentalities, or political subdivisions, including but not limited to any public institution of higher education, a corporation wholly owned by the state of Missouri, an individual employed by an employer, or corporations and associations owned or operated by religious or sectarian organizations;

(3) **"Motivating factor", the employee's protected classification played a role in the adverse decision or action and had an influence on the adverse decision or action;**

(4) "Proper authorities", a governmental or law enforcement agency, an officer of an employee's employer, the employee's supervisor employed by the employer, or the employee's human resources representative employed by the employer;

[(4)**] (5)** "Protected person", an employee of an employer who has reported to the proper authorities an

unlawful act of his or her employer; an employee of an employer who reports to his or her employer serious misconduct of the employer that violates a clear mandate of public policy as articulated in a constitutional provision, statute, or regulation promulgated under statute; or an employee of an employer who has refused to carry out a directive issued by his or her employer that if completed would be a violation of the law. An employee of an employer is not a protected person if:

(a) The employee is a supervisory, managerial, or executive employee or an officer of his or her employer and the unlawful act or serious misconduct reported concerns matters upon which the employee is employed to report or provide professional opinion; or

(b) The proper authority or person to whom the employee makes his or her report is the person whom the employee claims to have committed the unlawful act or violation of a clear mandate of public policy**[**;

(5) "The motivating factor", the employee's protected classification actually played a role in the adverse decision or action and had a determinative influence on the adverse decision or action**]**.

3. This section is intended to codify the existing common law exceptions to the at-will employment doctrine and to limit their future expansion by the courts. This section, in addition to chapter 213 and chapter 287, shall provide the exclusive remedy for any and all claims of unlawful employment practices.

4. It shall be an unlawful employment practice for an employer to discharge an individual defined as a protected person in this section because of that person's status as a protected person.

5. A protected person aggrieved by a violation of this section shall have a private right of action for actual damages for violations of this section but not for punitive damages. However, if a private right of action for damages exists under another statutory or regulatory scheme, whether under state or federal law, no private right of action shall exist under this statute.

6. Any party to any action initiated under this section may demand a trial by jury.

7. A protected person aggrieved by a violation of this section shall have a private right of action that may be filed in a court of competent jurisdiction. The only remedies available in such an action shall be:

(1) Back pay;

(2) Reimbursement of medical bills directly related to a violation of this section; and

(3) Additionally, if a protected person proves, by clear and convincing evidence, that the conduct of the employer was outrageous because of the employer's evil motive or reckless indifference to the rights of others, then, such person may receive double the amount awarded under subdivisions (1) and (2) of this subsection, as liquidated damages. In applying this subdivision, the provisions of section 510.263 shall be applied as though liquidated damages were punitive damages and as though the amounts referenced in subdivisions (1) and (2) of this subsection were compensatory damages.

8. The court, in addition to the damages set forth in subsection 7 of this section, may award the prevailing party court costs and reasonable attorney fees; except that a prevailing respondent may be awarded reasonable attorney fees only upon a showing that the case was without foundation."; and

Further amend the title and enacting clause accordingly.

Senator Roberts moved that the above amendment be adopted.

Senator Razer offered **SA 1** to **SA 1**:

2. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of **[**section 536.024**] chapter 536**.

213.040. 1. It shall be an unlawful housing practice:

(1) To refuse to sell or rent after the making of a bona fide offer, to refuse to negotiate for the sale or rental of, to deny or otherwise make unavailable, a dwelling to any person because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status;

(2) To discriminate against any person in the terms, conditions, or privileges of sale or rental of a dwelling, or in the provision of services or facilities in connection therewith, because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status;

(3) To make, print, or publish, or cause to be made, printed, or published any notice, statement or advertisement, with respect to the sale or rental of a dwelling that indicates any preference, limitation, or discrimination because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status, or an intention to make any such preference, limitation, or discrimination;

(4) To represent to any person because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status that any dwelling is not available for inspection, sale, or rental when such dwelling is in fact so available;

(5) To induce or attempt to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons because of a particular race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status;

(6) To discriminate in the sale or rental of, or to otherwise make unavailable or deny, a dwelling to any buyer or renter because of a disability of:

(a) That buyer or renter;

(b) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(c) Any person associated with that buyer or renter;

(7) To discriminate against any person in the terms, conditions, or privileges of sale or rental of a dwelling, or in the provision of services or facilities in connection with such dwelling, because of a disability of:

(a) That person;

(b) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(c) Any person associated with that person.

2. For purposes of this section and sections 213.045 and 213.050, discrimination includes:

(1) A refusal to permit, at the expense of the person with the disability, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises, except that, in the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

(2) A refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(3) In connection with the design and construction of covered multifamily dwellings for first occupancy after March 13, 1991, a failure to design and construct those dwellings in such a manner that:

(a) The public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability;

(b) All the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons with a disability in wheelchairs; and

(c) All premises within such dwellings contain the following features of adaptive design:

a. An accessible route into and through the dwelling;

b. Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

c. Reinforcements in bathroom walls to allow later installation of grab bars; and

d. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

3. As used in subdivision (3) of subsection 2 of this section, the term "covered multifamily dwelling" means:

(1) Buildings consisting of four or more units if such buildings have one or more elevators; and

(2) Ground floor units in other buildings consisting of four or more units.

4. Compliance with the appropriate requirements of the American National Standard for Buildings and Facilities providing accessibility and usability for people with physical disabilities, commonly cited as "ANSI A117.1", suffices to satisfy the requirements of paragraph (a) of subdivision (3) of subsection 2 of this section.

5. Where a unit of general local government has incorporated into its laws the requirements set forth in subdivision (3) of subsection 2 of this section, compliance with such laws shall be deemed to satisfy the requirements of that subdivision. Such compliance shall be subject to the following provisions:

(1) A unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of subdivision (3) of subsection 2 of this section are met;

(2) The commission shall encourage, but may not require, the units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with subdivision (3) of subsection 2 of this section, and shall provide technical assistance to units of local government and other persons to implement the requirements of subdivision (3) of subsection 2 of this section;

(3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

9. As used in this section and sections 213.045 and 213.050, "housing for older persons" means housing:

(1) Provided under any state or federal program that the commission determines is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

(3) Intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing qualifies as housing for older persons under this subsection, the commission shall develop regulations which require at least the following factors:

(a) The existence of significant facilities and services specifically designed to meet the physical or social needs of older persons, or if the provision of such facilities and services is not practicable, that such housing is necessary to provide important housing opportunities for older persons; and

(b) That at least eighty percent of the units are occupied by at least one person fifty-five years of age or older per unit; and

(c) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons fifty-five years of age or older.

10. Housing shall not fail to meet the requirements for housing for older persons by reason of:

(1) Persons residing in such housing as of August 28, 1992, who do not meet the age requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

(1) The sale or rental of any single family house by a private individual owner, provided the following conditions are met:

(a) The private individual owner does not own or have any interest in more than three single family houses at any one time; and

(b) The house is sold or rented without the use of a real estate broker, agent or salesperson or the

facilities of any person in the business of selling or renting dwellings and without publication, posting or mailing of any advertisement. If the owner selling the house does not reside in it at the time of the sale or was not the most recent resident of the house prior to such sale, the exemption in this section applies to only one such sale in any twenty-four-month period; or

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability**,** or familial status to a person applying therefor for the purpose of purchasing, construction, improving, repairing, or maintaining a dwelling, or to discriminate against **[**him**]** **such person** in fixing of the amount, interest rate, duration or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status of such person or of any person associated with **[**him**]** **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity,** disability, or familial status.

213.055. 1. It shall be an unlawful employment practice:

(1) For an employer, because of the race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability of any individual:

(a) To fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to **[**his**]** **such individual's** compensation, terms, conditions, or privileges of employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability;

(b) To limit, segregate, or classify **[**his**]** employees or **[**his**]** employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect **[**his**]** **such individual's** status as an employee, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect **[**his**]** **such individual's** status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,**

or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of **[**his**]** **such individual's** race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** as it relates to employment, or disability, or to classify or refer for employment any individual because of **[**his or her**]** **such individual's** race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or quality of production or to employees who work in different locations, provided that such differences or such systems are not the result of an intention or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex, **sexual orientation, gender identity,** national origin, ancestry, age**,** or disability, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or action upon the results thereof, is not designed, intended or used to discriminate because of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability.

3. Nothing contained in this chapter shall be interpreted to require any employer, employment agency, labor organization, or joint labor-management committee subject to this chapter to grant preferential treatment to any individual or to any group because of the race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability of such individual or group on account of an imbalance which may exist with respect to the total number or percentage of persons of any race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to or employed in any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age**,** or disability in any community, state, section, or other area, or in the available workforce in any community, state, section, or other area.

4. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for the state or any political subdivision of the state to comply with the provisions of 29 U.S.C. Section 623 relating to employment as firefighters or law enforcement officers.

213.065. 1. All persons within the jurisdiction of the state of Missouri are free and equal and shall be entitled to the full and equal use and enjoyment within this state of any place of public accommodation, as hereinafter defined, without discrimination or segregation because of race, color, religion, national origin,

sex, **sexual orientation, gender identity,** ancestry, or disability.

2. It is an unlawful discriminatory practice for any person, directly or indirectly, to refuse, withhold from or deny any other person, or to attempt to refuse, withhold from or deny any other person, any of the accommodations, advantages, facilities, services, or privileges made available in any place of public accommodation, as defined in section 213.010 and this section, or to segregate or discriminate against any such person in the use thereof because of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, or disability.

3. The provisions of this section shall not apply to a private club, a place of accommodation owned by or operated on behalf of a religious corporation, association or society, or other establishment which is not in fact open to the public, unless the facilities of such establishments are made available to the customers or patrons of a place of public accommodation as defined in section 213.010 and this section.

213.070. 1. It shall be an unlawful discriminatory practice for an employer, employment agency, labor organization, or place of public accommodation:

(1) To aid, abet, incite, compel, or coerce the commission of acts prohibited under this chapter or to attempt to do so;

(2) To retaliate or discriminate in any manner against any other person because such person has opposed any practice prohibited by this chapter or because such person has filed a complaint, testified, assisted, or participated in any manner in any investigation, proceeding or hearing conducted pursuant to this chapter;

(3) For the state or any political subdivision of this state to discriminate on the basis of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age, as it relates to employment, disability, or familial status as it relates to housing; or

(4) To discriminate in any manner against any other person because of such person's association with any person protected by this chapter.

2. This chapter, in addition to chapter 285 and chapter 287, shall provide the exclusive remedy for any and all claims for injury or damages arising out of an employment relationship.

213.101. 1. The provisions of this chapter shall be construed to accomplish the purposes thereof and any law inconsistent with any provision of this chapter shall not apply. Nothing contained in this chapter shall be deemed to repeal any of the provisions of any law of this state relating to discrimination because of race, color, religion, national origin, sex, **sexual orientation, gender identity,** ancestry, age, disability, or familial status.

2. The general assembly hereby expressly abrogates the case of *McBryde v. Ritenour School District*, 207 S.W.3d 162 (Mo.App. E.D. 2006), and its progeny as it relates to the necessity and appropriateness of the issuance of a business judgment instruction. In all civil actions brought under this chapter, a jury shall be given an instruction expressing the business judgment rule.

3. If an employer in a case brought under this chapter files a motion pursuant to rule 74.04 of the Missouri rules of civil procedure, the court shall consider the burden-shifting analysis of *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973), and its progeny to be highly persuasive for analysis in cases not involving direct evidence of discrimination.

4. The general assembly hereby expressly abrogates by this statute the cases of *Daugherty v. City of*

Maryland Heights, 231 S.W.3d 814 (Mo. 2007) and its progeny as they relate to the contributing factor standard and abandonment of the burden-shifting framework established in *McDonnell Douglas Corp. v. Green*, 411 U.S. 792 (1973).

5. The general assembly hereby expressly abrogates by this statute the holding in *Hurst v. Kansas City Mo. School District*, 437 S.W.3d 327 (Mo.App. W.D. 2014), that Missouri Approved Instruction 19.01 may be applied to actions brought pursuant to this chapter, and the holding in *Thomas v. McKeever's Enterprises, Inc.*, 388 S.W.3d 206 (Mo.App. W.D. 2012), that juries shall not be instructed that plaintiffs bear the burden of establishing "but for" causation in actions brought pursuant to this chapter.

Journal of the Senate

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Hear my teaching, O my people; incline your ears to the words of my mouth." (Psalm 78:1)

Wondrous God, as we finish up this day, that began in prayer, we are mindful of Your teaching and would ask that You would open our understanding of Your expectations of us. And as we each have been given positions of authority, that requires us to do that which is most helpful to the people we encounter this weekend, may we do that which You desire and as Your spirit leads us. In Your Holy Name we pray. Amen.

Whereas, the members of the Missouri Senate hold in high esteem those Show-Me State businesses that admirably enhance the quality of life in local communities and neighborhoods that have proven down through the years to be exemplary places in which to live, work, and raise families; and

Whereas, the members of the Missouri Senate wish to honor Ameren Missouri lineworkers during Missouri Lineworker Appreciation Day to be held on April 11, 2022; and

Whereas, Ameren Missouri lineworkers are also to be commended for their quick response to restore power after a May 2019 tornado damaged infrastructure and property in Jefferson City; and

Whereas, Ameren lineworkers traveled to the state of Louisiana to assist with power restoration to the citizens of New Orleans and other parts of the state in the wake of Hurricane Ida which hit the Gulf Coast in late summer 2021; and

Whereas, hundreds of Ameren crew workers from both Missouri and Illinois have worked to restore power in other parts of the southeastern United States and many eastern seaboard states over the past two years in an effort to repair energy infrastructure and help restore power after the catastrophic destruction of electric infrastructure following severe storms and hurricanes; and

Whereas, Ameren Missouri lineworkers work tirelessly to provide power to their customers in our state; and

Whereas, Ameren Missouri workers have worked to help modernize our state's electric grid as part of the company's Smart Energy Plan over the past three years, which has also helped create thousands of new jobs and is helping to retain thousands of existing jobs in our state; and

Whereas, Ameren Missouri lineworkers conducted their work with high levels of competence, safety, and compassion; and

Whereas, Ameren Missouri lineworkers are to be commended for being highly experienced in providing power-restoration assistance to communities during times of need:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, applaud the history, goals, and accomplishments associated with Ameren Missouri lineworkers and convey to all of those involved the Senate's most heartfelt best wishes as they celebrate Missouri Lineworker Appreciation Day on April 11, 2022; and

Whereas, the Rotary motto "Service Above Self" inspires members to provide humanitarian service, encourage high ethical standards, and promote good will and peace in the world; and

Whereas, Rotary launched PolioPlus in 1985 and helped to establish the Global Polio Eradication Initiative, which today includes the World Health Organization, U.S. Centers for Disease Control and Prevention, UNICEF and the Bill & Melinda Gates Foundation in order to immunize the children of the world against polio; and

Whereas, polio cases have dropped by 99.9 percent since 1988 and the world stands on the threshold of eradicating the disease; and

Whereas, Rotary has, to date, contributed more than $1.9 billion and countless volunteer hours to the protection of more than 2.5 billion children in 122 countries; and

Whereas, Rotary is working to raise an additional $50 million per year, which would be further leveraged for maximum impact by an additional $100 million annually from the Bill & Melinda Gates Foundation; and

Whereas, in the spirit of many other governments, caring organizations, and entities around the world, people and organizations should use community awareness means and media, such as outdoor illuminations deploying on October 24th, as well as the evening of October 23rd, to highlight the progress toward and importance of eradicating polio:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, hereby declares October 24, 2022, as World Polio Day in Missouri.
